Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare): *The proposed ordinance was initiated by the City and rezones 688 lots (consisting of 361 acres) from RM-10 to RM-15. Both existing and proposed zoning districts are single-, two-, and multiple-family residential districts. As part of the 2024 update to the Land Development Code, the rezoning is proposed to rid the code of redundancies that exist in the zoning district regulations. 4. Additional information the governing body deems useful (if any):
[You may wish to include in this section the methodology or data used to prepare the Business Impact Estimate. For example: City of Palm Bay staff solicited comments from businesses in the City of Palm Bay as to the potential impact of the proposed ordinance by contacting the chamber of commerce, social media posting, direct mail or direct email, posting on City of Palm Bay's website, public workshop, etc. You may also wish to include efforts made to reduce the potential fiscal impact on businesses. You may also wish to state here that the proposed ordinance is a generally applicable ordinance that applies to all persons similarly situated (individuals as well as businesses) and, therefore, the proposed ordinance does not affect only businesses.] Both the existing (RM-10) zoning district and proposed (RM-15) zoning district provide lands for high density residential uses in the City of Palm Bay. Stand-alone business uses are not permitted in RM-10 and RM-15, other than family day care homes. Family day care homes are only permitted in an occupied residence (home occupation). As such, the proposed ordinance affects individuals and businesses alike.
