

## LEGISLATIVE MEMORANDUM

**TO:** Honorable Mayor and Members of the City Council

**FROM:** Juliet Misconi, Deputy City Manager

**THRU:** Daniel Waite, Acting Recreation Director

**DATE:** January 16, 2025

**RE:** Resolution 2025-02, renaming Fred Poppe Regional Park to Palm Bay Regional Park.

### SUMMARY:

On November 12th, the Recreation Advisory Board voted 5-1 to recommend to Council the renaming of Fred Poppe Regional Park to Palm Bay Regional Park. Per the Park Naming Policy section D., established by Council on February 6, 2003, as incorporated in the Elected Officials Handbook:

“D. Renaming a Park or Facility. Out of respect for the current name, only under extraordinary conditions (shortened, inappropriate, ineffectual names) will a park or facility be renamed.”

If Council elects to rename the park, a resolution to officiate Council’s action is also attached.

### REQUESTING DEPARTMENT:

Recreation

### FISCAL IMPACT:

The cost of renaming the park will be an estimated \$4,000.00 in materials which would be used to change out the signs around the park and City. As this was not a budgeted expense, funding would be requested from Undesignated Fund 001-0000-392-1001 to Parks Operating 001-4526-572-4628.

### STAFF RECOMMENDATION:

Consideration of renaming Fred Poppe Regional Park to Palm Bay Regional Park.
