JOIN US FOR THE 2024 FLORIDA CERT CONFERENCE!

The 2024 Florida CERT Conference will be held on August 15-17, 2024 at the Westin Cape Coral Resort at Marina Village in Cape Coral, Florida.

The Community Emergency Response Team (CERT) program educates volunteers about disaster preparedness for the hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. CERT offers a consistent, nationwide approach to volunteer training and organization that professional responders can rely on during disaster situations, which allows them to focus on more complex tasks. Through CERT, the capabilities to prepare for, respond to and recover from disasters is built and enhanced.

Florida CERT Association is a 501(c)3 (not-for-profit) organization established in 2001, whose primary goal is the support of statewide training and education in disaster planning / emergency preparedness for citizens and established CERT teams.
