**STAFF ANALYSIS:**

Vacation of Public Utility and Drainage Easement of a portion of Lot 8, Block 2026, Port Malabar Unit 46, according to the Plat thereof, as Recorded in Plat Book 22, Pages 58 - 74, of the Public Records of Brevard County, Florida, and being more particularly described as follows: Commencing at the Northeast corner of said Lot 8, thence run South 00°05'13" East, along the East line of said Lot 8, a distance of 20.00 feet; thence departing said East line, South 89°54'47" West, a distance of 6.00 feet to the point of beginning. Florida Power and Light, AT&T, Spectrum, Florida City Gas, and Melbourne-Tillman have no objections to the vacating request.

The City of Palm Bay's Departments have the following comments relating to the vacating request. It should be noted that city policy allows for the approval of a vacation request for the first 5 feet, along city owned canals, and the next 3 feet (8' vacation, preserving 12' easement) on a case-by-case basis, if there are no obvious issues of conflict.

Staff has no adverse comments regarding removal of the South 8 feet of the North 20-foot Public Utilities & Drainage Easement, less the East and West 6-foot Public Utility & Drainage Easements thereof, containing 544 square feet or 0.012 acres, more or less, of Lot 8, Block 2026, Port Malabar Unit 46, according to the Plat thereof, as Recorded in Plat Book 22, Pages 58 - 74, of the Public Records of Brevard County, Florida. For the construction of a swimming pool in the backyard.

**STAFF RECOMMENDATION:**

Staff recommends approval of the vacating of easement.
