Ordinance Section(s) to be Changed	Chapter 172: Development Review Procedures, Section 172.010, Table 172-1; Chapter 173: Zoning, Section 173.021 Tables 173-2 and 173-3
Proposed Language	See attached
Justification for Proposed Change	After the adoption of the new LDC, minor discrepancies were discovered in the code language. Staff identified that these discrepancies were not present in the final draft and were included inadvertently. These scrivener's errors must be corrected to ensure that the LDC is in alignment with the Comprehensive Plan. The textual amendment presented will provide the existing affected properties relief from nonconformance, will ensure that each table of uses accurately illustrates its corresponding code section, and will reflect proper application procedures.
