RE: Ordinance 2024-26, rezoning property located west of and adjacent to Cogan Drive, in the vicinity north of Melbourne-Tillman Water Control District Canal 42, from GU (General Use Holding District) to CC (Community Commercial District) (3.00 acres) (Case Z23-00015, Kathleen Jones Trustee; PSP of Brevard, LLC; and RRLC, LLC), final reading. (Quasi-Judicial Proceeding)

SUMMARY:

A public hearing is to be held on the above subject ordinance and the caption read for the second and final time at tonight's Council meeting.

Kathleen Jones Trustee; RRLS LLC; RTLD LLC; PSP of Brevard LLC (Jake Wise, P.E, Construction Engineering Group, Rep.) has submitted for a rezoning from GU, General Use Holding District to CC, Community Commercial. The undeveloped three-acre parcel is located west of and adjacent to Cogan Drive SE, north of and adjacent to Melbourne-Tillman Water Control District Canal 42. The rezoning request is to allow for the development of an enclosed, three (3) story, 100,000 square foot, internally accessed, self-storage facility, which will have 830 units.

All rezoning requests shall be in accordance with items (a) through (f) of Section 185.201(C)(2). In consideration of the surrounding properties, it is important to note that North of the site is an existing Brevard County office complex. To the south and east are a canal, stormwater ponds, wooded areas, and an FPL transmission easement. To the west is a 17-acre, county-owned, undeveloped, wetland area with the closest residence over 800 feet away across the woods. This site is more than adequately removed from the residential development so as to have little to no negative impact. Additionally, the proposed use is a very low traffic generator, and the proposed building incorporates additional architectural features which enhance its appearance as an office building. This rezoning request meets the requirements for rezoning approval
