

## LEGISLATIVE MEMORANDUM

**TO:** Honorable Mayor and Members of the City Council

**FROM:** Suzanne Sherman, City Manager

**THRU:** Valentino Perez, Public Works Director; George Barber, Chief Procurement Officer

**DATE:** March 21, 2024

**RE:** Miscellaneous: 'Piggyback Purchase', Pavement Management (Preservation and Surfacing) Continuing Services (City of Gainesville contract) – Public Works Department (Asphalt Paving Systems - \$999,374).

### SUMMARY:

The Public Works Department is seeking approval to continue the use of City of Gainesville's contract for Pavement Management (Preservation & Surfacing) Continuing Services, #PWDA-20027-DH, as awarded to multiple vendors, including Asphalt Paving Systems, Inc. This contract is valid through September 30, 2025, with the option of one (1) additional two (2) year renewal period.

Council originally approved the contract usage on September 7, 2023, in the amount of \$242,573.53. This was used to test a three-road area to ensure the service would meet the City's needs. The test was successful and Public Works would like to continue the service in Units 38, 39, and 40. The total for these units is \$999,374.43.

Public Works facilitated a presentation by the vendor, Asphalt Paving Systems, Inc., to the Infrastructure Advisory and Oversight Board (IAOB) at the July 28, 2023, meeting. This presentation provided a comparison between conventional micro-surfacing and eFlex – 6% polymer modified micro-surfacing. [JC1] The pilot micro-surfacing of Agora Circle, Mercury, and Thor was a success on treating the three streets. After 30 days there were no unsatisfactory markings or divots on the eFlex - 6% micro surfacing, and the black surface color is favorable with users. Based on the success of the pilot micro-surfacing project, the eFlex – 6% micro-surfacing is a viable pavement treatment with no surface deficiencies.

In accordance with the City's Code of Ordinance, Section 38.13(F)(4) Cooperative Purchases and Piggyback Purchases: The City may utilize (piggyback) a contract entered into by another governmental or public entity and a provider of supplies or services required by the City if the Chief

Honorable Mayor and Members of the City Council
