**FROM:** Suzanne Sherman, City Manager

**THRU:** City Manager's Office

**RE:** Discussion of workshop to promote education and awareness of public anti-corruption statutes. (Mayor Medina)

### SUMMARY:

On February 25, 2021, the City held an informative workshop to provide education and awareness regarding public corruption statutes. The presentation included detailed case analyses and examples of situations to avoid and guard against.

I am respectfully requesting consideration from my fellow Councilmembers to hold a similar workshop as soon as possible. I believe this is one of the important steps we can take to honor our pledge to uphold and open and transparent local government. The information we receive and the discussion we will have can only serve to further strengthen our foundation of integrity and accountability, something we have continued to work on diligently for the last four years.
