

## **ORDINANCE 2024-XX**

**AN ORDINANCE OF THE CITY OF PALM BAY, BREVARD COUNTY, FLORIDA, PROVIDING FOR A TEMPORARY MORATORIUM TO PROHIBIT THE ACCEPTANCE, PROCESSING, OR CONSIDERATION OF APPLICATIONS FOR A PERMIT OR DEVELOPMENT ORDER FOR STAND ALONE AUTOMATED AND SELF-SERVICE CAR WASHES; ADOPTING FINDINGS OF FACT; PROVIDING FOR A SEVERABILITY CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, as provided in section 2(b), Article VIII of the Constitution of the State of Florida, and section 166.021(1), Florida Statutes, the City of Palm Bay, Florida, a municipal corporation, enjoys all governmental, corporate, and proprietary powers necessary to conduct municipal government, perform municipal functions, and render municipal services, and may exercise any power for municipal purposes, except as expressly prohibited by law; and,

**WHEREAS**, as provided in section 166.021(3), Florida Statutes, the governing body of each municipality in the state has the power to enact legislation concerning any subject matter upon which the state legislature may act, except when expressly prohibited by law; and,

**WHEREAS**, less than fifteen (15%) percent of the City's total land area is zoned for commercial use; and,

**WHEREAS**, City's limited commercial areas results in a deficiency of vacant, non-residentially zoned land that is needed to meet the commercial demands of current and future residents resulting in residents often having to travel to neighboring municipalities for employment, goods, and services; and,

**WHEREAS**, to prevent the proliferation of car wash facilities consuming essential commercial property, too fast, and in close proximity to one another, it is necessary to study the issue to determine whether limits to the numbers and locations that are appropriate for the City in the best interest of its residents who reside near these areas to be afforded better protection from the development of these properties; and,

**WHEREAS**, the City of Palm Bay has comprehensively evaluated and updated its comprehensive plan providing land use and population projections through 2045. The City is currently updating the existing Land Development Code (LDC) in accordance with Florida Statute 163.3202 which states that within one (1) year of the comprehensive plan update, the municipality “shall adopt or amend and enforce land development regulations that are consistent with and implement their adopted comprehensive plan”; and,

**WHEREAS**, car washes are permitted as a Conditional Use pursuant to Section 185.087, Code of Ordinances, which requires additional review by the City Council; and,

**WHEREAS**, the intent of a Conditional Use is the allowance of “certain land uses, due to their unique functional characteristics and the potentiality for their incompatibility with adjoining land uses, require special consideration on an individual basis of their suitability for location and development within particular zoning districts. Such uses have been designated as conditional uses within appropriate zoning district classifications set forth in §[185.030](#) *et seq.* and §[185.060](#) *et seq.* It is the intent of this subchapter that such uses may be permitted in the zoning district classifications only after affirmative findings that they can be developed at particular locations in a compatible manner”; and,

**WHEREAS**, the City of Palm Bay regulates the use of land through its Comprehensive Plan and its Land Development Code as authorized by Section 163.3164, Florida Statutes; and,

**WHEREAS**, the City Council desires for its Staff to have sufficient time to review and make recommendations for the enactment of Land Development Code update and amendments; and,

**WHEREAS**, the City is seeking a temporary moratorium while staff is completing a comprehensive review of its land development regulations to implement the goals, objectives, and policies of the Palm Bay 2045 Comprehensive Plan. This moratorium will allow staff to determine whether new or amended Land Development Codes are needed pertaining to stand-alone car washes and to prepare any needed regulations. The establishment of a temporary moratorium suspends the development orders and development permits associated with the approval of new applications or applications that have not been advertised for the Conditional Use (CU) of Car Wash Facilities; and,

**WHEREAS**, the City Council of the City of Palm Bay finds it is in the best interest of the citizens of the City to place a temporary moratorium City-wide to preserve the quality of life and preserve property values so that new regulations regarding Conditional Uses can be implemented, and

**WHEREAS**, City Council of the City of Palm Bay has authority in accordance with the Florida Constitution, and Chapter 163 and 125 of the Florida Statutes, to enact regulations in the interest of the public health, safety and welfare of its citizens.
