Florida Power and Light, AT&T, and Spectrum have no objections to the vacating request.

The City of Palm Bay's Departments have the following comments relating to the vacating request. It should be noted that city policy allows for the approval of a vacation request for the first 5 feet, along city owned canals, and the next 3 feet (8' vacation, preserving 12' easement) on a case-by-case basis, if there are no obvious issues of conflict.

Staff has no adverse comments regarding removal of the South 8 feet, of the North 20-foot Public Utility & Drainage Easement, less the West side 6-foot Public Utility & Drainage Easement thereof, containing 1,192 square feet or 0.027 acres, more or less, of Lot 10, Block 2396, Port Malabar Unit 45, according to the Plat thereof, as Recorded in Plat Book 22, Pages 3-23, of the Public Records of Brevard County, Florida, for the construction of an inground swimming pool in the backyard.
