Yes, please request the continuance.

The storm has impacted my schedule and unfortunately, I will be out of town at the end of next week (missing the Council meeting) instead of this week.

Thank you.

Hi Ana,

We are closing for the hurricane today at noon, but we don't anticipate the City Council meeting next week being impacted. We can move your item, but City Council will have to vote to approve the continuance at the 10/17 meeting. Please confirm that you still want to request the continuance.
