**SUMMARY OF REQUEST**

A **Textual Amendment** to the Code of Ordinances, Title XVII, Land Development Code to revise language within Chapter 172: Development Review Procedures.

**BACKGROUND:**

On September 19, 2024, case T24-00004 was adopted via Ordinance 2024-33, a textual amendment to bring the Land Development Code (LDC) into compliance with the City of Palm Bay Comprehensive Plan. After the adoption of the new LDC, minor discrepancies were discovered in the code language. After six months of application, Staff identified discrepancies in the final draft that have been corrected through this process.

To address the discrepancies, the Growth Management Department is proposing a Textual Amendment to the Code of Ordinances, Title XVII, Land Development Code, Chapter 172 Development Review Procedures as part of the Phase 2 updates.

**PURPOSE:**

The purpose of the proposed amendment is to correct definitions of existing terms and uses that were inadvertently changed or not included when the Land Development Code was updated in September of this year.

Proposed language for this amendment is attached in legislative style with additions and deletions presented in underline and ~~strikethrough~~ format.

**STAFF RECOMMENDATION:**

Staff recommends Case T25-00001 for approval.
