LEGISLATIVE MEMORANDUM

TO:	Honorable Mayor and Members of the City Council
FROM:	Suzanne Sherman, City Manager
THRU:	Joan Junkala-Brown, Deputy City Manager; Chris Little, Utilities Director
DATE:	March 7, 2024
RE:	Consideration of a Land Exchange Agreement with Diaz Treasures, LLC for certain real property (2.77 acres).

SUMMARY:

On April 15, 1999, City Council authorized the execution of an Intergovernmental Agreement between the City of Palm Bay and St. Johns River Water Management District (SJRWMD).

On February 13, 2002, City Council approved Resolution 2002-18 accepting the donation of approximately 13.05 acres of real property (Tax Account 2961562 / Parcel ID 29-36-05-00-3) from the SJRWMD in lieu of payment of Main Line Extension Fees (MLEF) totaling \$67,887.76. The land was originally recorded as an asset in the Utilities Operating Fund and later transferred to the Utilities' MLEF Fund.

On March 9, 2023, the Palm Bay Utilities Department received an appraisal of the parcel valued at \$1.9 million. While the Utilities Department has no future need for this parcel, the City has identified the need for right-of-way along Malabar Road for the future widening of Malabar Road.

To accommodate future growth at the intersection of Malabar Road and St. Johns Heritage Parkway (SJHP), the City requires approximately 46 feet of right-of-way along the northern boundary of Tax Account 2960440 / Parcel ID 29-36-05-00-2, a six (6) acre parcel owned by Diaz Treasures, LLC for the future widening of Malabar Road as well as approximately 209 feet of right-of-way along the east boundary of the same parcel for the future extension of SJHP south of Malabar Road. The total acreage for all rights-of-way is approximately 2.77 acres. Diaz Treasures, LLC is requesting 2.77 acres from the City's abutting parcel to the west (Tax Account 2961562) in exchange for providing 2.77 acres in rights-of-way along Malabar Road and SJHP to the City. Attached is a Land Exchange Agreement between the City of Palm Bay and Diaz Treasures, LLC for the 2.77 acres.

On November 18, 2021, City Council authorized Tax Account 2961562 to be designated as surplus real estate.

On December 21, 2023, City Council approved a designation of 'Commercial' Future Land Use for Tax Accounts 2960440 (Ordinance 2023-108) and 2961562 (Ordinance 2023-110).
