SPECIALTY VEHICLES

Harness the realism and accuracy of FiAR, and give your learners immersive one to one fire extinguisher training experiences.

MIXED REALITY

WHY JHB

CONTACT

REAL WORLD ENVIRONMENT

Real World Fire Training Scenarios

FiAR delivers hands on true-to-life experience without placing the learner in harm's way, which is beneficial since the industry is steadily moving away from traditional live fire exercises.

Throughout development, we sought feedback from industry experts including fire chiefs, firefighters, fire

SPECIALTY VEHICLES MIXED REALITY

QUICK SETUP AND EASY TO USE

Practice makes perfect

The mobility of the FiAR allows the instructor to teach users in any space. Every room is a training room!

We sought to keep the moving parts to a minimum delivering an exceptionally light-weight mobile friendly package for wherever your training takes you.

With FiAR you can deliver realistic true to life fire training experiences that will make a real difference in your community.
