If such other governmental or cooperative contract is utilized, the public notice requirements and the need to utilize the methods of selection processes are obviated. Any such contracts equal to or in excess of one hundred thousand dollars (\$100,000) shall go to the City Council for approval.

31	Describe your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	We are willing and eager to soon extend our business model and network into Canada. We believe partnering with local Canadian based dealer groups is key to success in the Canadian market. NAFG's competitive pricing as well as a simple US Dollar to Canadian conversation will help NAFG expand into the Canadian market for participating Sourcewell members.	*
32	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	National Auto Fleet Group will handle servicing 100% of all geographic areas located in the United States. Although it is unclear what unseen obstacles we may face in Canada, NAFG is committed to building the same model to service Canada and providing the same level of customer satisfaction, service, and care as in the United States.	*

33	Identify any Sourcewell participating entity sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	NAFG will continue to service all Sourcewell Members through our 24 hour a day, 7 days a week online portal with the exclusion of Non-Profits. Unfortunately, Non-Profits are often not eligible for the same discount's government entities are qualified for. However, Non-Profits are subject to a different pricing program and will be evaluated on a case to case basis.	*
34	Define any specific contract requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	The only possible logistical constraints we may face is the shipping constraints for shipments arriving in Alaska, Hawaii and US Territories. For example, we often provide members in Alaska or Hawaii with vehicles that often have upfits. To circumvent this potential issue, members allow us to add these extra shipping and port costs to their quotes.	*

35	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	<p>National Auto Fleet Group encompasses a variety of marketing strategies to promote our products and services to streamline the vehicle purchasing process for government entities. Below are a few strategies used to serve as the gateway between our business and public agencies.</p> <p>Website and Inbound Marketing: The creation of a professional customer-focused website is one of our main features to market our products and services. The NAFG website encourages our members to interact and browse through products offered along with pricing and information about National Auto Fleet Group. Inbound marketing is created when potential members are directed to the company website. With this method, we are able to not only connect with members but to put the purchasing ability into the hands of each member. Our inbound marketing strategy attracts members by creating valuable content and experiences tailored to the needs of each individual. Examples include email campaign flyers on our products, informative and how-to videos, social media and engaging members with top-notch customer service to build brand awareness.</p> <p>Email Marketing: One of the main strategies used to engage current and potential members is Email Marketing. Our emails include different types of flyers that consist of information of the Sourcewell contract, promoting manufacturer brands, holiday themed flyers, discounts offered to first time buyers, important cutoff date reminders and upcoming products and events.</p> <p>The use of marketing campaigns plays a major role in enhancing the growth of our client database. Emails are a big part of our daily lives due to government agency employees utilizing emails as their main source of communication. We use campaigner.com as the emailing platform to reach our target members. Videos and descriptive images are used on all flyers and are compatible with a desktop or mobile device. Messages are short and to the point with links leading to the Sourcewell and NAFG homepage. The Campaigner email system allows the ability to track email activity based on open rate, unsubscribes and link clicks which is beneficial to understanding email effectiveness.</p> <p>Once potential members are directed to our website, they are welcomed with a wide range of options to explore an array of our products and services. They are able to register to become a member, view pricing, explore available in-stock vehicles, view how-to-videos, build a vehicle online to request an immediate quote or use our live chat assistant or call/email for live support.</p> <p>Face to Face Marketing Strategies: This strategy has proven to be successful in generating leads and creating lasting relationships by developing genuine connections with prospective members. National Auto Fleet Group attends several trades shows per year to engage members and put a face to the company. This in person meeting aids to build the brand by nurturing relationships between members and other vendors associated through the process. Trade shows attended include GFX, IAPPO, NIGP, ACT, CAPPO, and CASBO throughout the United States.</p> <p>NAFG has many opportunities to make in person presentations to propose products, services offered and to answer any questions potential members may have. These PowerPoint Presentations include topics on NAFG/Sourcewell process, how to facilitate the vehicle purchasing without bidding, informational videos, and the brands and services we provide. These meetings have been held at local cities, counties, school districts, water districts and ports.</p> <p>Relationship Marketing is a vital strategy used in building and maintaining long-term relationships practiced by National Auto Fleet Group on a daily basis.</p> <p>NAFG strives to create a positive and supportive connection with members by providing personalized and responsive customer service practices. The sales team has worked tirelessly to focus on providing outstanding customer support to create a powerful rapport with existing and new members. By going above and beyond, they have enhanced existing relationships and executed customer loyalty with repeat businesses. They strive to deviate from the "Car Salesperson" mentality which is 100% sales driven to a more product and customer service approach by instilling a sense of confidence in our clients. The goal is to regularly assist clients and address any needs and concerns even after the purchase has occurred. The strive to focus on solution selling vs. product selling develops into a mutually beneficial agreement for members and the business.</p> <p>Below are a few examples on successful relationship marketing from our Fleet Department:</p> <p>We had a member call in to request financing/lease options for a truck needed through our National Auto Fleet Group/Sourcewell vehicle contract. I contacted another Sourcewell vendor, Matt Geiselhart from NCL Gov Capital and he was happy to assist with a financing quote. The member also requested to trade in a current vehicle in their fleet and was directed to Govdeals for assistance in removing the outdated unit through an auction. The member was able to utilize three Sourcewell contracts to complete his transaction which simplified the entire process. The member was very satisfied with the amount of care and ease through his experience and became a repeat customer. By utilizing a cross-selling strategy, National Auto Fleet Group became his one stop shop to fulfill all fleet vehicle purchasing needs.</p> <p>"I had a member call in desperate to obtain a new truck because an employee had gotten into a serious accident and had the truck totaled. Due to covid restrictions, most manufacturers are currently experiencing microchip shortages which relays to production delays at the factory. We were able to direct buyer to our in-stock inventory on the NAFG website and member was ecstatic to locate truck to meet their needs. Instead of having to wait 30 weeks to receive the new vehicle, member was able to obtain the new truck within 3 weeks."</p>

"I once had a member contact us two years after purchasing a vehicle from us. They had a malfunction with the liftgate on the box truck which caused a logistical nightmare. I was able to contact one of our body vendors that upfitted the lift gate installation and a service technician was able to go onsite to resolve the liftgate issue at no additional cost. The member was very impressed with the quality of our customer service even after purchase. "

"I had a member request a ¾ ton truck pricing but was unsure about their budget at the time. I took the time to go through each option with the client to provide a Sourcewell pricing quote through multiple manufacturers from Ram, Chevrolet and Ford. This empowered the member to have multiple pricing options for review to align with their budget as well as eliminating the need to shop anywhere else. "

"We work with many body companies to assist customers with the body upfitting process. One of our members called in a request to expedite a particular vehicle that was held up at one of their local body upfitters. I contacted the body company representative and put in a request to expedite the upfitting per request of the member. The body company was able to comply with the request and delivery was made sooner than expected."

Word-of-Mouth Marketing: The positive quality of service has led to more sales based on previous customers' impressions on their experience. NAFG's goal is to provide exemplary customer service throughout the entire purchasing process to encourage repeat business and advocate services to other members. NAFG has been fortunate to experience multiple instances of leads generated based solely on word-of-mouth marketing through our existing customers.

Cross-promotion: National Auto Fleet Group is currently collaborating with another Sourcewell Vendor, NCL Government Capital to promote each other's products and services. NCL Government Capital specializes in providing competitive equipment financing programs for municipalities and public education entities across the United States. As a team, NCL and NAFG produced a variety of marketing materials such as videos, flyers and info graphs to promote purchasing and leasing opportunities.

Hoglund Bus Company is another cross-promotion vendor NAFG had the opportunity to create a partnership with. Flyers were created to advertise Chassis from NAFG along with a variety of bus bodies from Hoglund Bus Company.

With cross-promotion, companies exchange knowledge and provide endorsements on websites, social media, and email campaigns. This strategy creates an influx of new leads, brand awareness, increased sales and recurrence of customers. National Auto Fleet Group will continue to create new partnerships and facilitate more cross-promotion opportunities in the near future to provide turnkey solutions for a variety of vehicle purchasing needs.

Coming in 2022, National Auto Fleet Group will be launching a NAFG Partner Website to further increase business growth. The website www.nafgpartner.com is expected to launch next year in 2022. The site encourages body upfitting companies throughout the United States to partner up with NAFG to become a preferred member. The benefits of becoming a preferred member include endorsements on website and social media avenues along with word-of-mouth referral for clients with upfitting needs. Our dedicated public relations representative will conduct phone and in person meetings to discuss the advantages of partnering up with NAFG, therefore generating more cross-promotion opportunities.

Members from government agencies are encouraged to go on the site to search for local body upfitting companies they are interested in working with. As a prerequisite in becoming a preferred vendor, they are required to advertise NAFG and the Sourcewell contract on their business website and refer their clients to purchase their cab/chassis needs through NAFG. This establishes a partnership that will generate increased sales all around. We are still currently building the website and interacting with body companies across the United States that would be interested in partnering up with NAFG.

36	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	<p>Social media plays a crucial element in the way people communicate and connect with each other. LinkedIn is the go-to platform used by NAFG as it offers a variety of ways to expand our network by locating and connecting with relevant professionals in the industry. National Auto Fleet Group has utilized LinkedIn to engage current and potential members through personalized messages and posts. Personalized messages include thanking them for registering on site as well as directing them to our link to the website, LinkedIn, YouTube, Facebook and Instagram company pages. The goal is to unite with people already on our database as well as people that would benefit from our products and services. Current flyers or messages about our company are also posted on the LinkedIn site to generate and attract more business. Time is also spent on reading posts from connections and observe any needs that National Auto Fleet Group may assist with.</p> <p>National Auto Fleet Group has begun utilizing video marketing strategies to further promote and market products by engaging on social media channels and email flyers. Programs such as Vimeo, Video Scribe, Cartoon Animator, Adobe Animate, Illustrate, Captive, Photoshop and Movavi Video Editor Plus are employed to edit and create videos to assist in endorsing our company. The following videos were recently created by our marketing department along with outside video production companies:</p> <p>Explainer Video: The first video created was a 90 second explainer video about National Auto Fleet Group that used animated characters to visualize our products and services along with information on the Sourcewell awarded contract. The video has been incorporated into all our weekly email flyers and social media platforms as an informative video on our products and how to purchase vehicles off Sourcewell Government Contract.</p> <p>How To Videos: National Auto Fleet Group has also created step-by-step How-To videos on the process to purchase both Light Duty and Heavy-Duty vehicles off the contract.</p> <p>In Stock Vehicles: This video showcases our in-stock vehicles available and the process of requesting a quote.</p> <p>ETA Tracking System: This video was created to not only introduce but to encourage clients to self-track their vehicle status.</p> <p>Holiday Themed Videos: These amusing videos were created to celebrate the holidays and add humor and lightness to our company and products sold.</p> <p>Cross Promotion Video: This video markets our relationship with NCL Government Capital and Sourcewell to endorse EV vehicles.</p> <p>Videos for social media: Mini videos were created to advertise new vehicles available, pricing and cutoff date reminders.</p> <p>NAFG has recently introduced a newly built live chat feature on our website for customer convenience as well as improving customer service. Visitors have access to chat with a live sales representative 24 hours a day, 7 days a week. With this feature potential customers are provided with another avenue for assistance in addition to emailing and phone calls. The benefits of a live chat option include quicker response time to assist buyers in reaching a purchasing decision and answer their questions.</p> <p>Improving customer service will also lead to increased sales, customer loyalty and engagement. Many studies have shown a strong correlation between live chat and increase in conversion rates. Potential clients appreciate having their questions answered in real-time when trying to build a vehicle quote online and allowing the user to multi-task different projects.</p>
37	In your view, what is Sourcewell's role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	<p>Sourcewell's mission states: "Our commitment to service and exceeding client expectations." This statement integrates with our relationship marketing strategy with our commitment to go above and beyond for all our members. Sourcewell is a trusted brand that government entities can rely on to access a wide variety of products and services for their everyday needs. With over 40 years of partnerships and relationship building, they are the glue that connects government, education, and nonprofit agencies to companies of all sizes to offer turnkey solutions to their needs.</p> <p>Sourcewell is also a reliable resource for vendors by not only connecting with potential prospects but by providing valuable marketing materials readily available for download on their website. Resources and tools provided include flyers, vendor training videos along with compliance information.</p> <p>The Sourcewell brand integrates a thorough documentation review of all vendors prior to awarding their cooperative contracts to ensure products and services are from reputable vendors. The brand provides a sense of legitimacy of our company name and members recognize that products and services are from reliable sources that will meet their needs.</p> <p>Sourcewell's aim is to simplify the purchasing and procurement process of government entities by eliminating the costly bidding procedure. The process of researching the right vendor is not only stressful and time-consuming but can be expensive as well. Sourcewell has completed the bidding for government entities which simplifies the overall purchasing process by providing access to competitively bid contracts procured by a government agency.</p> <p>Sourcewell has provided NAFG with overwhelming opportunities to work with government agencies across the United States. The Sourcewell name represents a high standard of integrity and ethics which is a dynamic National Auto Fleet Group is proud to be part of. Sourcewell members have access to a contract that is more flexible than the standard bidding process. Sourcewell is an organization that aids government entities to stay competitive without the frustrations and issues involved with the traditional bidding process. This contract can be customized to meet the unique needs of each client. The sales team has incorporated not only this standard of integrity in their sales practice ensuring clients' purchasing needs will always be met. The cost savings and stress-free nature of the cooperative contracts favors that of the traditional bidding process. It enables vendors to work with qualifying government entities in a more efficient manner. We vow to maintain these levels of standards across the board throughout all departments within the company.</p>

38	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	<p>Our website provides a hands-on empowering approach to ordering vehicles online. Clients can search through many vehicles makes and models with the ability to customize a vehicle tailored to their specific needs of their agency. A personalized quote with pricing can be available in as little as 5 minutes depending on the complexity of the vehicle. If upfitting is needed, the buyer can list the details of the up-fit while building their vehicle on our website to receive a complete quote or a sales representative can be reached through phone, email or our new live chat feature built on our website.</p> <p>We have recently created and uploaded a "How-To Videos" section on the homepage of our website which highlights a step-by-step process on how to build an online quote. This informative video demonstrates how to navigate the website in how to generate a vehicle quote with or without upfitting options. It begins by explaining how to register on our website as a member and then details on how to select vehicle model and type and the factory options needed.</p> <p>Once a customized quote is built, clients have the option to finalize the sales transaction by submitting a purchase order to our sales team via email. This gives complete autonomy to the client to purchase vehicles without the need to speak to a sales rep. If assistance is needed, they can contact sales through email, live chat or phone.</p> <p>If assistance is required to build a quote, our sales rep is also available to walk a client through the e-procurement process step by step. This ensures someone is available to answer any questions if needed and empowering the client to make any future purchases on their own. Clients may also call or email the needs of the company and receive a customized vehicle quote.</p>	*

59	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	NAFG has an provided offerings from 15 Brands/OEMS and there respective percentage off vary and are detailed in the "Price File" zip Each Manufacture Range is detailed in the tabs below, here is an overview Chevrolet from -.077 to 24.45 % Ford Motor Company from -5.19 to 23.31 % GMC from 6.14 to 22.45 % Ram from 4.99 to 14.23 % Dodge from 3.09 to 9.96 % Jeep from 1.38 to 4.17 % Chrysler from 1.65 to 4.55 % Toyota from .03 to 8.98 % Honda from 1.34 to 4.9 % Nissan from -.085 to 14.61 % Buick from 2.36 to 6.08 Kia from .69 to 8.39 % BMW from 3.8 to 4.77 % Cadillac from 4.22 to 6.77 % Volkswagen from 2.17 to 2.46 %	*
60	Describe any quantity or volume discounts or rebate programs that you offer.	If clients are considering an order of 150 or more units, we encourage members to contact us for any additional discounted quotes.	*
61	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	"Open Market" products or "Sourced Goods" will be considered and treated as regular upfits. However, they may be quoted up to a 10% mark up, if applicable.	*
62	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	All considerations have already been taken into account in its entirety. The Price Summary Page and Price Table contained in the price file includes all considered costs. Although if a member requested a specialized quote for a unique situation that requires special training, direction, or installation, the additional costs would be added as a part of the upfit and then included inside the member's quote.	*
63	If freight, delivery, or shipping is an additional cost to the Sourcwell participating entity, describe in detail the complete freight, shipping, and delivery program.	All manufactures charge a standard "Factory Destination Charge". However, that is separate from the freight/destination cost that members may incur to ship a vehicle to and from an installer, if applicable. These subsequent locational movements may bare additional freight costs that will be outlined within the members quote for their review prior to purchase.	*
64	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Freight, shipping, and delivery terms among these regions sometimes carry additional logistical charges for added ferry, port and driver costs from both to and from the mainland. These added costs will be disclosed on the quote for members to review and approve prior to purchase.	*
65	Describe any unique distribution and/or delivery methods or options offered in your proposal.	National Auto Fleet Group already has a well-established Automobile Franchise Distribution Network that allows for swift and relatively seamless delivery to members and their end users.	*

Table 13: Audit and Administrative Fee

Line Item	Question	Response *
67	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell. Provide sufficient detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template.	Sourcewell participating members are able to obtain proper pricing directly from our website, where they are able to use our user-friendly design to build and price their vehicles. The NAFG is updated daily to reflect updated manufacturer MSRP information. Our system will provide members with an accurate quote 99.99% of the time. In addition, NAFG has a stream line and organized process that calculates administrative fees and allows NAFG to give a turnaround time of 15 – 30 days for quarterly reports.
68	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	One of the internal metrics NAFG uses to track and measure success with the Sourcewell Contract is maintained through our website. Our website keeps a detailed log of quotes that members are generating. We oversee and keep track of how many quotes are being generated and which quotes are met with a purchase order. Every month we evaluate our sales indicators and closely monitor the volume and frequency of sales. One example is by evaluating which members are purchasing from our platform – new members or frequent members to ensure we are growing our member base. We use these metrics to measure our projected growth rate and work to exceed our expectations.
69	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	NAFG will submit \$ 300 per vehicle purchased through NAFG and \$ 200 per vehicle purchased through our partner dealer Alan Jay Automotive. For the purpose of an admin fee there are no other partner dealer groups considered.

70	Provide a detailed description of the equipment, products, and services that you are offering in your proposal.	NAFG has provided a "Model Roll Out" Charts in the "Price File" zip, but of the 15 manufacturers we represent, they have over 100 makes and models for members to choose from that range from Class 1-3 and supporting Class 4 Cab and Chassis trucks. NAFG's platforms can add any upfit of their choosing, ranging from toolboxes to Line Mechanic Bodies. Any and all upfits can be added to any one of our vehicles through one of our upfit partner suppliers or by an upfit supplier of the members choosing. NAFG and the supplier will work together to supply members with turnkey quotes.
71	Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.	National Auto Fleet Group lists the makes and models of all 15 manufacturers we represent under the ZIP File "All 15 Manufacturers". These 15 OEMs make up over 100 combined makes, models, and engine combinations for members to select from along with several subtitle "Upfits" detailed for members in the price file.

Addenda, Terms and Conditions**PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE**

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.
2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.
3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. 4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.

At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
11. Proposer its employees, agents, and subcontractors are not:

**Solicitation Number: RFP #060920****CONTRACT**

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and 72 Hour LLC dba: National Auto Fleet Group, 490 Auto Center Drive, Watsonville, CA 95076 (Vendor).

Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada.

Vendor desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

1. TERM OF CONTRACT

- A. **EFFECTIVE DATE.** This Contract is effective upon the date of the final signature below.
- B. **EXPIRATION DATE AND EXTENSION.** This Contract expires August 1, 2024, unless it is cancelled sooner pursuant to Article 24. This Contract may be extended up to one additional one-year period upon request of Sourcewell and with written agreement by Vendor.
- C. **SURVIVAL OF TERMS.** Articles 11 through 16 survive the expiration or cancellation of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

- A. **EQUIPMENT, PRODUCTS, OR SERVICES.** Vendor will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Vendor's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new/current model. Vendor may offer close-out or refurbished Equipment or Products if they are clearly indicated in

Vendor's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. **WARRANTY.** Vendor warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Vendor warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Vendor's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that is effective past the expiration of the Vendor's warranty will be passed on to the Participating Entity.

C. **DEALERS, DISTRIBUTORS, AND/OR RESELLERS.** Upon Contract execution, Vendor will make available to Sourcewell a means to validate or authenticate Vendor's authorized dealers, distributors, and/or resellers relative to the Equipment, Products, and Services related to this Contract. This list may be updated from time-to-time and is incorporated into this Contract by reference. It is the Vendor's responsibility to ensure Sourcewell receives the most current version of this list.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced as stated in Vendor's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. **SHIPPING AND SHIPPING COSTS.** All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Vendor must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery.

Vendor must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcwell may declare the Vendor in breach of this Contract if the Vendor intentionally delivers substandard or inferior Equipment or Products. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Vendor as soon as possible and the Vendor will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

B. SALES TAX. Each Participating Entity is responsible for supplying the Vendor with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Vendor may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Vendor determines it will offer Hot List Pricing, it must be submitted electronically to Sourcwell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcwell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

4. PRODUCT AND PRICING CHANGE REQUESTS

Vendor may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcwell Price and Product Change Request Form to the assigned Sourcwell Contract Administrator. This form is available from the assigned Sourcwell Contract Administrator. At a minimum, the request must:

- Identify the applicable Sourcwell contract number;
- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Request Form will become an amendment to this Contract and be incorporated by reference.

5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Vendor understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Vendor is responsible for familiarizing its sales and service forces with Sourcewell contract use eligibility requirements and documentation and will encourage potential members to join Sourcewell. Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Vendor's employees may be required to perform work at government-owned facilities, including schools. Vendor's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

6. PARTICIPATING ENTITY USE AND PURCHASING

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Vendor that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Vendor. Typically, a Participating Entity will issue an order directly to Vendor. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration of this Contract; however, Vendor performance, Participating Entity payment, and any applicable warranty periods or other Vendor or Participating Entity obligations may extend beyond the term of this Contract.

Vendor's acceptable forms of payment are included in Attachment A. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. **ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM.** Additional terms and conditions to a purchase order may be negotiated between a Participating Entity and Vendor, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum; the terms of which will be worked out directly between the Participating Entity and the Vendor. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. **PERFORMANCE BOND.** If requested by a Participating Entity, Vendor will provide a performance bond that meets the requirements set forth in the Participating Entity's order.

D. **SPECIALIZED SERVICE REQUIREMENTS.** In the event that the Participating Entity requires service or specialized performance requirements (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements) not addressed in this Contract, the Participating Entity and the Vendor may enter into a separate, standalone agreement, apart from this Contract. Sourcwell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

E. **TERMINATION OF ORDERS.** Participating Entities may terminate an order, in whole or in part, immediately upon notice to Vendor in the event of any of the following events:

1. The Participating Entity fails to receive funding or appropriation from its governing body at levels sufficient to pay for the goods to be purchased;
2. Federal, state, or provincial laws or regulations prohibit the purchase or change the Participating Entity's requirements; or
3. Vendor commits any material breach of this Contract or the additional terms agreed to between the Vendor and a Participating Entity.

F. **GOVERNING LAW AND VENUE.** The governing law and venue for any action related to a Participating Entity's order will be determined by the Participating Entity making the purchase.

7. CUSTOMER SERVICE

A. **PRIMARY ACCOUNT REPRESENTATIVE.** Vendor will assign an Account Representative to Sourcwell for this Contract and must provide prompt notice to Sourcwell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcwell and Participating Entity inquiries; and
- Business reviews to Sourcwell and Participating Entities, if applicable.

B. BUSINESS REVIEWS. Vendor must perform a minimum of one business review with Sourcewell per contract year. The business review will cover sales to Participating Entities, pricing and contract terms, administrative fees, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Vendor must provide a contract sales activity report (Report) to the Sourcewell Contract Administrator assigned to this Contract. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Vendor must submit a report indicating no sales were made).

The Report must contain the following fields:

- Customer Name (e.g., City of Staples Highway Department);
- Customer Physical Street Address;
- Customer City;
- Customer State/Province;
- Customer Zip Code;
- Customer Contact Name;
- Customer Contact Email Address;
- Customer Contact Telephone Number;
- Sourcewell Assigned Entity/Participating Entity Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcewell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Vendor.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcewell, the Vendor will pay an administrative fee to Sourcewell on all Equipment, Products, and Services provided to Participating Entities. The Administrative Fee must be included in, and not added to, the pricing. Vendor may not charge Participating Entities more than the contracted price to offset the Administrative Fee.

The Vendor will submit a check payable to Sourcewell for the administrative fee amount of \$400 multiplied by the total number of trucks purchased by Participating Entities from Vendor under this Contract, and \$200 multiplied by the number of trucks purchased by Participating Entities from Vendor's partner dealer Alan Jay Automotive in Florida, during each calendar quarter. Payments should note the Sourcewell-assigned contract number in the memo and must be mailed to the address above "Attn: Accounts Receivable." Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Vendor agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Vendor is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Vendor in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than 30 days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Vendor's Authorized Representative is the person named in the Vendor's Proposal. If Vendor's Authorized Representative changes at any time during this Contract, Vendor must promptly notify Sourcewell in writing.

10. ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. **ASSIGNMENT.** Neither the Vendor nor Sourcewell may assign or transfer any rights or obligations under this Contract without the prior consent of the parties and a fully executed assignment agreement. Such consent will not be unreasonably withheld.

B. **AMENDMENTS.** Any amendment to this Contract must be in writing and will not be effective until it has been fully executed by the parties.

C. **WAIVER.** If either party fails to enforce any provision of this Contract, that failure does not waive the provision or the right to enforce it.

D. **CONTRACT COMPLETE.** This Contract contains all negotiations and agreements between Sourcewell and Vendor. No other understanding regarding this Contract, whether written or oral, may be used to bind either party.

E. **RELATIONSHIP OF THE PARTIES.** The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. This Contract does not create a partnership, joint venture, or any other relationship such as master-servant, or principal-agent.

11. LIABILITY

Vendor must indemnify, save, and hold Sourcewell and its Participating Entities, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees, arising out of the performance of this Contract by the Vendor or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused

by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications.

12. AUDITS

Sourcwell reserves the right to review the books, records, documents, and accounting procedures and practices of the Vendor relevant to this Contract for a minimum of 6 years from the end of this Contract. This clause extends to Participating Entities as it relates to business conducted by that Participating Entity under this Contract.

13. GOVERNMENT DATA PRACTICES

Vendor and Sourcwell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcwell under this Contract and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Vendor under this Contract.

If the Vendor receives a request to release the data referred to in this article, the Vendor must immediately notify Sourcwell and Sourcwell will assist with how the Vendor should respond to the request.

14. INDEMNIFICATION

As applicable, Vendor agrees to indemnify and hold harmless Sourcwell and its Participating Entities against any and all suits, claims, judgments, and costs instituted or recovered against Sourcwell or Participating Entities by any person on account of the use of any Equipment or Products by Sourcwell or its Participating Entities supplied by Vendor in violation of applicable patent or copyright laws.

Line Item	Question	Response *	
-----------	----------	------------	--

23	Sales force.	We have a Direct and Indirect sales force. Our direct sales force are our employees and partner dealers. Combined our estimated employee count exceeds 100 persons dedicated to supporting our dealerships and NAFG Fleet Division. Our indirect sales force which would be our partner suppliers and upfitters would be well above 100. With both direct and indirect sales force staff NAFG has been proven to maintain and service the current demand of the members. As the number of members grow that we can help, the more staff we would eagerly employee to help meet demand.	*
24	Dealer network or other distribution methods.	Our franchise network which cover's our proposed 11 manufacturers are second to none. With industry forefront of the combined experience of manufactures like The Ford Motor Company, General Motors, Freightliner, MACK, Peterbilt and Kenworth to name a few have established a national presence were all members can receive service and warranty repairs on there respective products. The distribution of an Automobile or Cab Chassis has always been an ongoing challenge for all manufactures new and old. However we in America have the best Automobile Supply Chain Network in the world and as a franchised dealer of brands, we too get take full advantage of the network to ship and supply our member clients nationwide.	*
25	Service force.	With over thousands of service locations representing our 11 manufacturers a member client can find with ease a service station or warranty repair facility near by. Of course Alaska and Hawaii do have a larger distance between franchises a member would utilize for warranty repair or service.	*

26	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	<p>To best illustrate our Customer Service programs, I ask that you use as a reference our ZIP file under Additional Documents and within in a ZIP file named "Member Walk Through". Start with and view in order which I will explain in order here:</p> <p>How A Member Can Get Quotes Online Demo: A member can obtain most quotes by visiting our website www.NationalAutoFleetGroup.com where a simple one step form is needed for registration. This is to protect the price information from nonmembers. Once a member registers they will receive an automated welcome email with a demo video on how to use our site. Members will gain access to there very own dashboard which will house all there quotes in one safe secure login. Member's can select which brand they are looking for and model year. Our site shows all the categories the brand offers such as: Cars, Vans, SUV's Trucks and Chassis Cabs. Members will then be able to drill down for the right selection by picking from the filter menu of what cab there looking for (Regular, Extended or Crew) to 2 wheel or 4 wheel drive down to the bed length there looking for. All factory options are then presented for the member to select from, this will show all current factory order-able options, taking the guess work out for the member. Once a member selects a desired build, they will see there Sourcewell Price report showing the MSRP, there contract price, the saving in real dollars and as a percentage. In the PDF example you can see a saving of \$ 9,175.96 of 22.345% to the member showing a significant savings. Members then can chose to add extra's to there order like extra keys' service manuals, sales tax and even request an upfit to be added to there quote. Lastly they will be given a complete turn key quote package to print which will include there customized Quote ID, Description and Specifications of what they built.</p> <p>How Members and Upfitters can Partner with NAFG: Our dedicated website www.NAFGPartner.com was built to accommodate the member who would like a certain upfitter to upfit there vehicles. It was also built for upfitters to have a place to go where they can find information on how to partner with NAFG to better serve there local members.</p> <p>Example of A Member with Upfit Quote: This is an example of how we use our Cab Chassis and combine them with an upfit to provide a turnkey solution for the member in a simple to follow format.</p> <p>ETA System for Members Walk Through: This is where members can easily come to our website, the same website they built there chassis on and track there order like they would a UPS package. We have a very simple display on our homepage "Track your order" where members can enter one of the following: Purchase Order Number, Quote ID, Upfit Quote ID or vin to easily see there in the process there particular order is in.</p> <p>Courtesy Confirmation Explained: After NAFG receives an order from a Member, we always like to send the member a Courtesy Confirmation. This is were the member will double check some particulars on there order like, Color, Quantity, Upfit and to ensure all Specification's are all correct before order placement. We also like to ask for title information at this point so we can help process the paperwork at delivery promptly.</p> <p>Factory Order Cut Off Notices: Here is were we like to highlight were members can access any upcoming factory order cut off dates. We walk the member through the process step by step to ensure the member knows the upcoming factory order cut off date, we even print this information (if known at the time) right on the cover page of there quotes.</p> <p>Validation Walk Through Example: To demonstrate a price validation, we show what a member would see when they build a truck on our site. At check out the member would see the Total Configured MSRP of \$ 35,730.00, A Sourcewell Price of \$ 27,331.68, Total Saving of \$ 8,398.32 or 23.505% for a 2020 F-250 followed by the pricing page which shows the Minimum Discount of at least 18.50%. As you see we provided an additional 5% discount on top of the 18.50% contract discount. This would be the case in this example.</p>	*
27	Identify your ability and willingness to provide your products and services to Sourcewell participating entities in the United States.	We have provided a list of our top 1,000 member/clients demonstrating our ability to service all members nationwide. Located in the Marketing Place ZIP file as "NAFG Top 1,000 Member Clients" PDF.	*
28	Identify your ability and willingness to provide your products and services to Sourcewell participating entities in Canada.	Our ability and know how to carry our business model into Canada has never been as strong as it is today, we believe a simple US Dollar to Canadian exchange rate coupled with our pricing structure will allow NAFG to finally be in a position to serve members in Canada by partnering with Canadian based dealer groups.	*
29	Identify any geographic areas of the United States or Canada that you will NOT be fully serving through the proposed contract.	NAFG will service 100 % of the United States of America and attempt to build the same model to service all of Canada. We do not know yet what regions we will encounter difficulty and how long the solution will take, but we will strive to service all of Canada.	*

30	Identify any Sourcewell participating entity sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	We will service all Sourcewell Members through our 24 hours a day 365-year website except Non Profits. Non-Profits would be subject to a different pricing program and would need to be handled on a case by case basis. Non-Profits mostly do not qualify for the discount governments qualify for.	*
31	Define any specific contract requirements or restrictions that would apply to our participating entities in Hawaii and Alaska and in US Territories.	The only requirement for members in Alaska, Hawaii and US Territories would be logistical shipping constraints the region would hold. For example, we currently provide members in Alaska chassis cabs with upfits and the member allows us to add the extra shipping cost, port cost and driver cost to load and unload there vehicles from port to port. This would be required if needed to be added to any quote in these regions.	*

National Auto Fleet Group attends several trades shows per year to engage customers in person along with upsell opportunities. Meeting prospects face-to-face forms a lasting impression not available through other methods of selling. Trade shows attended include GFX, IAPPO, NIGP, ACT, CAPPO, CASBO throughout the United States.</p> <p>Relationship Marketing: This is utilized once a client is directed though our website though online methods. They strive to deviate from the "Car Salesperson" mentality which is 100% sales driven to a more product and customer service approach by instilling a sense of confidence to our clients. Their constant goal is to regularly assist clients and address any needs during the entire sales process. Striving to focus on solution selling vs. product selling develops into a mutually beneficial agreement for customers and the business.</p> <p>Referral/Word of mouth: This strategy ties into our outstanding relationship marketing to clients. The positive quality of service experienced by customers has led to an increased number of sales through referrals. Our goal is to provide exemplary customer service throughout entire selling process to encourage repeat business and referrals.</p> <p>Coming late summer of 2020, National Auto Fleet Group will be launching a NAFG Partner Website to increase the growth of our business. The website www.nafgpartner.com is expected to launch late summer/early fall of 2020. The site encourages body upfitting companies throughout the United States to partner up with us to become a preferred member. The benefits of becoming a preferred member is to have their business advertised on our site as well as referring any clients with upfitting needs to a local body company within their general vicinity. Our buyers from government agencies are encouraged to go on the site as well and look for local body upfitting companies they are interested in working with. To join our network, they are required to advertise NAFG and the Sourcewell contract on their business website and refer their clients to purchase their cab/chassis needs through NAFG. This creates a relationship that will generate increased sales from both the sides. We are still currently building the website and searching for body companies across the states that would be interested in partnering up with NAFG.</p> <p>Direct Marketing: Prior to the Covid-19 outbreak, our company was promoting direct marketing strategies by contacting local businesses and setting up in person meetings with our dedicated public relations representative. The role of our dedicated representative included in person meetings to discuss our products and services, present website features and to drop off sales contact information for further questions.</p>

NAFG is offering Line Item Discounts Off MSRP for 11 manufacturers detailed in the Price File, NAFG is offering all Upfits to be added to any and all chassis cabs and trucks, details are on the Price Summary Page in the price file.	*
54	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range. For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request. Identify any parties that impose such costs and their relationship to the Proposer.	All considerations have been taken into account in the price file in its entirety. Price Summary Page and Price Tabs contain all costs associated with all quotes. If a member would like a quote for a particular situation and the item requires special training or installation, these charges would be added as part of the upfit and included in the members quote.	*
58	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	All manufacturers charge a standardized "Factory Destination Charge" which is displayed on all window stickers and on all trucks on a dealer's lot. This is not the destination charge that maybe charged to ship a chassis to and from an installer, these additional subsequent movements are all added freight charges and will displayed on the members quote.	*

This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.	We have created a member friendly easy to build online quoting system for members to use. Pricing is built directly into the website and is loaded daily by the manufacture MSRP information. Our system will provide an accurate quote 99.99% of the time. We have stream lined how our admin fee is processed to allow a quick 15-30 day turn around on quarterly reports.	*
63	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	Our Admin Fee has been streamlined to allow for growth to occur with maintaining a high level of accuracy and reporting. Our proposed admin fee would follow these guidelines: F-450, F-550, F600 and like models = \$ 400 flat F-650 and above = \$ 700 flat Partner Deals (NAFG Partners with another dealer) = \$ 150 flat All other models F-250 and below = \$ 325 flat	*
