LEGISLATIVE MEMORANDUM

TO: Honorable Mayor and Members of the City Council

FROM: Suzanne Sherman, City Manager

DATE: July 11, 2024

RE: Consideration of a Commercial Property Enhancement Program (CPEP) grant for G1 Petro Inc., relating to improvements to commercial property located at 4502 Babcock Street NE, Tax Account 2830803 (\$9,600).

SUMMARY:

On November 4, 2021, City Council approved the Commercial Property Enhancement Program (CPEP), a performance-based reimbursement grant awarded to applicants to encourage private investment and improvements to the exterior frontage of commercial properties located on major commercial corridors in Palm Bay. On October 5, 2023, Council authorized expanding the grant program to include all existing commercial businesses citywide. The CPEP is a 50/50 matching grant program which seeks to foster private investment in commercial properties, thereby increasing property values and the ad valorem tax revenues to the City. The CPEP is intended to enhance and improve the street view of the built environment from the public perspective, making Palm Bay more competitive in attracting and retaining businesses. The maximum award amount is \$10,000. Funds are disbursed on a reimbursement basis once the work is completed and inspected (if applicable).

On June 21, 2024, the Community & Economic Development Department received an application from G1 Petro Inc. to the CPEP grant program for commercial property located at 4502 Babcock Street NE, Palm Bay, FL 32905 (Tax Account 2830803). The project scope includes exterior enhancements to the building, to include new paint and pressure washing to the building and service pumps. The total estimated cost for the project is \$19,200. Per the program guidelines, all work shall be completed within one year from the date of the agreement. The applicant is eligible for reimbursement up to the maximum award of \$9,600.

RECITALS:

WHEREAS, the City has implemented the Commercial Property Enhancement Program (CPEP), the primary purpose of which is to improve the aesthetics and economic order of the community, thereby promoting the public interest, by making matching grants to property owners and/or tenants or lessees of commercial property within the City of Palm Bay;

WHEREAS, a further objective of the CPEP is to upgrade and preserve the aesthetic appearance and/or structural integrity of commercial buildings located within the City of Palm Bay limits in order to reduce blight and make the City more conducive to private investment by providing funding incentives to undertake permanent property improvements to commercial building exteriors in the City of Palm Bay;

WHEREAS, the City believes the CPEP will thereby stimulate increased business opportunities within the City, improve property values, increase tax revenues, and improve employment opportunities;

WHEREAS, grants provided by the City shall be on a dollar-for-dollar matching basis, matching the investment made by the owner or owners of a particular parcel of commercial property; and

WHEREAS, Grantee has submitted an application under the CPEP which the City believes meets the criteria and purposes as outlined by the program.

NOW THEREFORE, in consideration, the mutual covenants and provisions hereof, and other good, and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties desiring to be legally bound do hereby agree as follows:
