

2. Resolution 2024-43, amending Resolution 2024-33, which established rates, fees and charges pursuant to the Code of Ordinances for specified chapters and sections therein.

LEGISLATIVE MEMORANDUM

TO: Honorable Mayor and Members of the City Council

FROM: Suzanne Sherman, City Manager

THRU: City Manager's Office

DATE: November 7, 2024

RE: Resolution 2024-43, amending Resolution 2024-33, which established rates, fees and charges pursuant to the Code of Ordinances for specified chapters and sections therein.

SUMMARY:

On October 1, 2024, City Council adopted Resolution 2024-33 providing for fees to be collected by the City for miscellaneous activities during Fiscal Year 2025.

Effective October 1, 2024, the City of Palm Bay Foreclosure Registration Program is managed and maintained by Hera Property Registry, LLC, which collects \$100 per property from the City for foreclosure registration services. The City has maintained a \$100 fee for this service for several fiscal years, to include the most recently adopted Resolution 2024-33. However, the City's Code Compliance Division maintains costs for such services as well, which will not be recouped if the foreclosure registration fee is not increased. The City proposes amending the total foreclosure registration fee to \$300 for Fiscal Year 2025.

In addition, the City is proposing to add a new fee for Impact Fee Payment Agreements. The City has seen an increase in requests for such agreements, as authorized in Title X 'Impact Fees' Chapter 106. There are costs associated with processing these requests, specifically City staff time to draft and process the agreement. The City is requesting to add an application fee of \$750.00 for Impact Fee Payment Agreements. Impact Fee Payment Agreements authorize the applicant to postpone payment of an impact fee to issuance of a Certificate of Occupancy (CO) rather than at the issuance of a building permit. The City Manager is authorized to execute Impact Fee Payment Agreements administratively.

REQUESTING DEPARTMENTS:

City Manager's Office; Growth Management Department

FISCAL IMPACT:

There is no fiscal impact at this time. However, the proposed Resolution will allow the City to recover funds for City time spent related to action items for both foreclosure registrations and impact fee payment agreements.

For reference, the City collected approximately 60 foreclosure registrations in Fiscal Year (FY) 2024, and nearly 40 in the previous FY. Staff anticipates the same number of registrations, or more, during the FY 2025, which could result in an increase in revenues from \$600 to \$1,800. Excluding fees paid to Hera Property Registry, LLC, the City would net \$1200 in revenue; otherwise, the City would not recover any revenue for services provided under the Foreclosure Registration program.

STAFF RECOMMENDATION:

Motion to approve the Resolution amending the Miscellaneous Fees Schedule for Fiscal Year 2025.

Buyer objects to and shall not be required to consider any additional terms or conditions submitted by Contractor, including any appearing in the Response. In submitting a Response, Contractor agrees that any additional terms or conditions shall have no force or effect. - G. Unless otherwise requested by Buyer, Contractors should make only one proposal for each RFP item. Multiple offerings, alternates (unless any are specifically requested by Buyer) and/or stipulations may be cause for rejection of a Response.

- I. All prices submitted under the RFP shall be indelible. The use of correction fluid or erasures to correct line item bid prices and/or quantities are not acceptable. Corrections must be by lineout of the incorrect figures, writing in of correct figures, and initialing of the corrections by the originator. Correction fluid or erasure corrected bids will be considered non-responsive for the corrected item(s) only, and may render the entire Response as nonresponsive.
- J. Failure to sign any form requiring a signature may be grounds for rejecting a Response.

2.4 Submission of Responses.

- A. The location and deadline for submitting Responses are set forth in Section 1 of the RFP. Contractors are fully responsible for meeting these requirements. Reliance upon mail or public carrier is at Contractor's risk. Late responses will not be considered.
- B. Contractor shall submit:
- 1) One (1) original signed version of its Response clearly marked as "ORIGINAL." The Response must be signed by an officer or employee having authority to legally bind Contractor.
 - 2) Three (3) paper ("hard") copies of the entire Response. Copies must be exact duplicates of the original.
 - 3) One (1) digital scanned copy (in .PDF format) of the entire Response on a flash drive. The scanned copy must be one complete file, not a series of files, and be an exact duplicate of the original.
 - 4) One (1) REDACTED scanned copy of the Response (if necessary, pursuant to Section 2.12). This copy should be marked "Confidential - Trade Secret" or something comparable to alert the reader of Contractor's claim of a public records exemption.

All copies are to be placed in a sealed package. The outside must be marked with (i) the RFP title and number, and (ii) Contractor's name, address, contact person, and telephone number.

It is the sole responsibility of each Contractor to assure all copies are EXACT duplicates of the original Response. Photocopies or CD copies will be used for the purpose of evaluating the Responses. Any information contained in the original Response which has not been transferred to the CDs or photocopies will NOT be considered. The original document will be used solely for official record keeping and auditing purposes.

2.5 Evaluation of Responses.

- A. Buyer will determine the qualifications, interest and availability of Contractors by reviewing all Responses and, when deemed necessary in the sole discretion of Buyer, by conducting formal interviews of selected Contractors.
- B. Before making an award, Buyer reserves the right to seek clarifications, revisions, and information it deems necessary for the proper evaluation of Responses. Failure to provide any requested clarifications, revisions or information may result in rejection of the Response.
- C. Buyer reserves the right to accept or reject any and all Responses, or separable portions thereof, and to waive any minor irregularity, technicality, or omission if Buyer determines that doing so will serve Buyer's best interests. Buyer may reject any Response not submitted in the manner specified by the RFP.

2.6 Award of Contract.

- A. The process for contract award is set forth in Jacksonville Ordinance Code Sections 126.204. Generally, Buyer will award the Contract to the responsible and responsive proposer whose Response is determined in writing to be the most advantageous to the City of Jacksonville. If an agreement cannot be reached with the highest ranked Contractor, Buyer reserves the right to make an award to the next highest ranked Contractor or subsequent Contractor(s) until an agreement is reached.
- B. Buyer may make an award within sixty (60) days after the date the Responses are due, during which period the Responses shall remain firm and shall not be withdrawn. Any Response that expresses a shorter duration may, in Buyer's sole discretion, be accepted or rejected. If award is not made within sixty (60) days, the Response shall remain firm until either the Contract is awarded or Buyer receives from Contractor written notice that the Response is withdrawn. [Note: Withdrawal of a Response may be requested within 72 hours (excluding State holidays, Saturdays and Sundays) after the date and time Responses are due. Buyer will not accept an amended Response after the date and time Responses are due.]
- C. Except as may otherwise be expressly set forth in the RFP, Buyer intends to award one contract, but reserves the right to enter into a contract with multiple Contractors or to reject all Responses.
- D. Based on the evaluation results, Buyer shall electronically post a notice of intended award at Buyer's website. Please contact the Contact Person if you are uncertain of Buyer's website address or if you experience problems accessing it. Any person who is adversely affected by the decision shall file with Buyer a notice of protest in accordance with the Protest provisions of the RFP. Buyer does not intend to provide tabulations or notices of award by telephone.

- 2.7 Terms of Agreement. After award to the successful Contractor, Buyer and Contractor will promptly enter into a written agreement (the "Contract") incorporating the terms of the RFP, the successful Response, and other terms and conditions as may be agreed to between the parties. To the extent the Response contains exceptions to or modifications of the RFP, such exceptions or modifications are stricken unless Buyer affirmatively accepts the exceptions or modifications in the Contract. The Contract will be substantially in the form set forth in an attachment to the RFP. Buyer will not be obligated to pay Contractor for the RFP services until the Contract is signed by both parties. Buyer retains the right to reject all bids and/or amend its notice of award at any time prior to the full execution of the Contract.

If the successful Contractor fails to perform the Services as agreed, Buyer reserves the right to (i) issue a new solicitation for the Services; (ii) reopen the RFP for the purpose of awarding a second contract to another Contractor in accordance with the criteria and processes set forth herein; and/or (iii) take such other actions permitted by law.

- 2.8 **Public Meetings and Special Accommodations.** Any meetings of the RFP evaluation committee (i.e., the Competitive Sealed Proposal Evaluation Committee), shall be noticed on Buyer's website and shall comply with Florida's Open Meetings Laws. Please contact the Contact Person if you are uncertain of Buyer's website address or if you experience problems accessing it. Persons requiring a special accommodation because of a disability should contact the Contact Person identified in Section 1 at least forty-eight (48) hours prior to the meeting.
- 2.9 **Ex-Parte Communications.** Communications regarding the RFP by a potential vendor, service provider, bidder, lobbyist or consultant to City employees, staff, or hired consultants are prohibited. This prohibition includes communications with the Buyer's Office of General Counsel unless the Contact Person has authorized those communications in advance. Violations may result in the rejection/disqualification of a Response.

These prohibitions on ex-parte communications do not apply to the following:

- communications regarding the RFP to the Chief of the Procurement Division or the Contact Person, provided the communication is limited strictly to matters of process or procedure already contained in the RFP.
- communications with the City employee responsible for administering the Jacksonville Small Emerging Business Program, provided the communication is limited strictly to matters of programmatic process or procedures.
- communications at any pre-bid conferences.
- communications with the Office of Inspector General and his/her staff regarding any perceived inefficiency, misconduct or abuse by City employees.
- presentations before publicly noticed committee meetings.
- contract negotiations during any duly noticed public meeting.
- any duly noticed site visits to determine competency of bidders during the period between bid opening and issuance of the Chief of Procurement Division's written recommendation.
- communications that are necessary for, and solely related to, the ordinary course of business concerning Buyer's existing contract(s) for the materials or services addressed in the RFP.

The period for these prohibitions commences upon the advertisement of the RFP and terminates after the Chief of the Procurement Division issues a written recommendation to the corresponding awarding committee. If the awarding committee refers the Chief's recommendation back for further review, the prohibitions shall be reinstated until such time as the Chief issues a subsequent recommendation.

- 2.10 **Cost of Developing RFP Response.** All costs related to the preparation of Responses and any related activities are the sole responsibility of Contractor. Buyer assumes no liability for any costs incurred by Contractors throughout the entire selection process.
- 2.11 **Response Ownership.** All Responses, including attachments, supplementary materials, addenda, etc., shall become property of Buyer and shall not be returned to Contractor. Buyer will have the right to use any and all ideas or adaptation of ideas presented in any Response. Acceptance or rejection of a Response shall not affect this right.

- 2.12 **Public Records Law; Process For Protecting Trade Secrets and Other Information.** Article 1, Section 24, Florida Constitution, guarantees every person access to all public records, and Section 119.011, Florida Statutes, provides a broad definition of public records. As such, all responses to the RFP are public records unless exempt by law. If Contractor considers any portion of its Response to be exempt from disclosure under Florida law, Contractor must provide Buyer with a separate redacted copy of the Response and briefly describe in writing the grounds for claiming exemption from the public records law, including the specific statutory citation. Contractor shall be responsible for defending its determination that the redacted portions of its Response are confidential, trade secret or otherwise not subject to disclosure. Further, Contractor shall protect, defend, and indemnify Buyer for any and all claims arising from or relating to Contractor's determination that the redacted portions of its Response are confidential, trade secret or otherwise not subject to disclosure. If Contractor fails to submit a Redacted Copy with its Response in accordance with Section 2.4 above, Buyer is authorized to produce the entire Response in answer to a public records request.

In accordance with Section 119.0701, Florida Statutes, the Contractor shall:

- (a) Keep and maintain public records required by City to perform the services; and
- (b) Upon request from City's custodian of public records, provide City with a copy of the requested records or allow records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for in Chapter 119, Florida Statutes, or as otherwise provided by law; and
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of this Contract if Contractor does not transfer the records to City; and
- (d) Upon completion of this Contract, transfer to City at no cost all public records in possession of Contractor or keep and maintain public records required by City to perform the service. If Contractor transfers all public records to City upon completion of this Contract, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of this Contract, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to City upon request from City's custodian of public records in a format that is compatible with City's information technology systems.

The above requirements apply to a "Contractor" as defined in Section, 119.0701, Florida Statutes.

IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CITY'S CUSTODIAN OF PUBLIC RECORDS AT (904) 255-7674; PRR@COJ.NET; CITY OF JACKSONVILLE, PUBLIC RECORDS REQUEST, 214 N. HOGAN STREET, SUITE 1180, JACKSONVILLE, FLORIDA 32202.

- 2.13 **Multiple Responses from Same Contractor; No Collusion.** More than one Response from an individual, firm, partnership, corporation or association under the same or different names is not permitted. Reasonable grounds for believing that a Contractor is involved in more than one Response for the same work will be cause for rejection of all Responses in which such Contractor is believed to be involved. Any or all Responses will be rejected if there is reason to believe that collusion exists between Contractors. Responses in which the prices obviously are unbalanced will be grounds for rejection.

- 2.14 **Conflict of Interest.** Section 126.110 of the Jacksonville Ordinance Code requires that a public official who has a financial interest in a bid or contract make a disclosure at the time that the bid or contract is submitted or at the time that the public official acquires a financial interest in the bid or contract, including but not limited to the public official's name, public office or position held, bid or proposal number, and the position or relationship of the public official with the bidder or Contractor. The parties will follow the provisions of Section 126.110, Jacksonville *Ordinance Code*, with respect to required disclosures by public officials who have or acquire a financial interest in a bid or contract with Buyer, to the extent the parties are aware of the same. All Contractors must submit the Conflict of Interest Certificate attached to the RFP.
- 2.15 **Convicted Vendor List.** A person or affiliate placed on the State of Florida convicted vendor list pursuant to Section 287.133, Florida Statutes, following a conviction for a public entity crime may not do any of the following for a period of 36 months from the date of being placed on the convicted vendor list:
- submit a bid on a contract to provide any goods or services to a public entity;
 - submit a bid on a contract with a public entity for the construction or repair of a public building or public work;
 - submit bids on leases of real property to a public entity;
 - be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and
 - transact business with any public entity in excess of the Category Two threshold amount provided in Section 287.017, Florida Statutes.
- 2.16 **Discriminatory Vendor List.** An entity or affiliate placed on the State of Florida discriminatory vendor list pursuant to Section 287.134, Florida Statutes, may not:
- submit a bid on a contract to provide any goods or services to a public entity;
 - submit a bid on a contract with a public entity for the construction or repair of a public building or public work;
 - submit bids on leases of real property to a public entity;
 - be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under a contract with any public entity; or
 - transact business with any public entity.
- 2.17 **Contractor Representations.** In submitting a Response, Contractor understands, represents, and acknowledges the following (if Contractor cannot so certify to any of following, Contractor shall submit with its Response a written explanation of why it cannot do so).
- Contractor currently has no delinquent obligations to the City of Jacksonville or any of its independent agencies.
 - The Response is submitted in good faith and without any prior or future consultation or agreement with any other respondent or potential respondent;
 - To the best of the knowledge of the person signing the Response, neither the Contractor, its affiliates, subsidiaries, owners, partners, principals or officers:
 - o is currently under investigation by any governmental authority for conspiracy or collusion with respect to bidding on any public contract;
 - o is currently under suspension or debarment by any governmental authority in the United States;
 - o has within the preceding three years been convicted of or had a civil judgment rendered against it, or is presently indicted for or otherwise criminally or civilly charged, in connection with (i) obtaining, attempting to obtain, or performing a federal, state, or local government transaction or public contract; (ii) violation of federal or state antitrust statutes; or (iii) commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; or

- o has within the preceding three-year period had one or more federal, state, or local government contracts terminated for cause or default.
- If this Agreement is for goods or services of \$1 million or more, the City, pursuant to Section 287.135(3)(c), Florida Statutes, may terminate this Agreement at City's option if Contractor:
 - (a). Is found to have submitted a false certification under Section 287.135(5), Florida Statutes;
 - (b). Has been placed on the Scrutinized Companies that Boycott Israel List created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel;
 - (c). Has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List created pursuant to Section 215.473, Florida Statutes; or
 - (d). Has been engaged in business operations in Cuba or Syria.
- Contractor has read and understands the RFP terms and conditions, and the Response is submitted in conformance with those terms and conditions.
- All representations made by Contractor to Buyer in connection with the RFP have been made after a diligent inquiry of its employees and agents responsible for preparing, approving, or submitting the Response.
- Contractor shall indemnify, defend, and hold harmless Buyer and its employees against any cost, damage, or expense which may be incurred or be caused by any error in the Response.
- All information provided by, and representations made by, Contractor are material and important and may be relied upon by Buyer in awarding the Contract.

2.18 Protests. Any protest concerning the RFP shall be made in accordance with the Procurement Protest Procedures established pursuant to Section 126.106(e) of the Jacksonville Ordinance Code. A full copy of the procedures is available on Buyer's website and can also be obtained by contacting Buyer's Contact Person. Please contact the Contact Person if you are uncertain of Buyer's website address or if you experience problems accessing it. Questions and requests made to the Contact Person shall not constitute formal Notice of Protest.

The Procurement Protest Procedures include the following provisions:

- a Protestant shall have 10 business days after the posting of a solicitation or 48 hours after the posted date and time of a pre-bid or pre-proposal conference, whichever is earlier, or 48 hours after the posting of an amendment, in which to file a written Notice of Protest in order to timely challenge the requirements, terms and/or conditions contained in bid or proposal documents, including without limitation any provisions governing or establishing: (i) the basis for making the award in question; (ii) evaluation criteria; (iii) equipment, product, or material specifications; (iv) proposed project schedules; (v) statements regarding participation goals or other equal opportunity measures; or (vi) other general solicitation or project requirements.
- a Protestant shall have 48 hours after either the posting or written notification of a decision or intended decision, whichever is earlier, in which to file a written Notice of Protest in order to timely challenge or seek relief from a . . . recommended conclusion to any bid or proposal solicitation process, including without limitation: (i) a recommendation to reject a bid or proposal; (ii) a contract award; or (iii) the short-listing of bidders or proposers.
- A written Notice of Protest shall: (i) be addressed to the Chief [of Jacksonville's Procurement Division]; (ii) identify the solicitation, decision, or recommended award in question by number and title or any other language sufficient to enable the Chief to identify the same; (iii) state the timeliness of the protest; (iv) state Protestants' legal standing to protest; and (v) clearly state with particularity the issue(s), material fact(s) and legal authority upon which the protest is based.
- At the time of filing a timely Notice of Protest, a Protestant may request an extension of three (3) business days after the date its Notice of Protest is timely received, in which to provide supplemental protest documentation. Failure to do so or to timely submit the supplemental protest documentation shall constitute a waiver of any right to same.

- The timely filing of a Notice of Protest shall be accomplished when said notice is actually received by the Procurement Division within the applicable time limitation or period contained herein. Filing a notice may be accomplished by manual transfer via hand-delivery or mail to the Chief of Procurement Division at 214 North Hogan Street, Suite 899, Jacksonville, Florida 32202, or by electronic transfer via facsimile to (904) 255-8837. The responsibility and burden of proof that its Notice of Protest has been timely and properly received shall rest with the Protester, regardless as to the method of delivery employed.

3.1. Provision of Services. Contractor shall provide Buyer with all of the services and deliverables described in the RFP, the Response and the resulting Contract (collectively, the "Services"). If any services, functions or responsibilities are not specifically described in the RFP, the Response or the resulting Contract but are necessary for the proper performance and provision of the Services, they shall be deemed to be implied by and included within the scope of the Services to the same extent and in the same manner as if specifically described herein.

3.2. Relationship of the Parties. In performance of the Services, Contractor shall be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venture or associate of Buyer. Contractor shall be solely responsible for the labor, supplies, materials, means, methods, techniques, sequences and procedures utilized to perform the Services in accordance with the Contract.

3.3. Buyer's Right to Make Changes. Buyer may unilaterally require, by written order, changes altering, adding to, or deducting from the Services ("Changes"), provided that such Changes are within the general scope of the Contract. Buyer will make an equitable adjustment in the Contract price or delivery date if the Change materially affects the cost or time of performance. Such equitable adjustments require the written consent of Contractor, which shall not be unreasonably withheld. The Parties will cooperate with each other in good faith in discussing the scope and nature of the Change, the availability of Contractor personnel, the expertise and resources to provide such Change, and the time period in which such Change will be implemented.

3.4. Service Warranties. Contractor warrants that the Services shall be performed and delivered in a professional, first-class manner in accordance with the Contract and the standards prevailing in the industry. Contractor shall also undertake the following actions without additional consideration during the term of the Contract and for one year thereafter: (i) promptly making necessary revisions or corrections to resolve any errors and omissions on the part of Contractor; and (ii) conferring with Buyer for the purpose of interpreting any of the Services or information furnished. Acceptance of the Services by Buyer shall not relieve Contractor of these responsibilities. The warranties and covenants in this paragraph will extend to all subcontractors as well.

The foregoing warranties and covenants shall not apply (i) with respect to any portions of the Service that have been produced by anyone other than Contractor or its subcontractors; (ii) to any modifications made by anyone other than Contractor or its subcontractors or without Contractor's specific prior written consent; or (iii) to any use of the Service in a manner or for any purpose other than those contemplated in the Contract. **EXCEPT AS EXPRESSLY STATED IN THE CONTRACT, THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES REGARDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. CONTRACTOR'S WARRANTIES EXTEND SOLELY TO BUYER.**

3.5. Buyer Will Assist Contractor. At Contractor's request, Buyer will provide reasonable assistance and cooperation to Contractor, including the supply of any data and information necessary for Contractor to provide the Services. Buyer will also designate a Contract Manager who will, on behalf of Buyer, work with Contractor and administer the Contract in accordance with its terms.

3.6. Location Requirements for Services. Unless otherwise stated in the RFP or the Response, the majority of the Services shall be performed within Duval County, Florida and no Services will be performed outside of the United States. These restrictions may be modified in writing if Buyer determines, in its sole discretion, that the restrictions impose an undue burden on Contractor's ability to perform the Services as contemplated in the Contract.

3.7. Use of Subcontractors; Flow-Down Provisions. Except to the extent the use of subcontractors is disclosed in the Response or consented to in writing by Buyer, Contractor shall not be allowed to subcontract or assign any of its duties and obligations hereunder. In all cases, Contractor will be responsible for the acts or omissions of its subcontractors. Contractor will ensure that all relevant contractual obligations will flow down to the subcontractors and will be incorporated into the subcontracts (including the obligations relating to insurance, indemnification, delays, intellectual property rights, public records, non-discrimination, audits, security, location of services, termination, transition assistance, warranties, and the manner in which the Services are to be performed).

3.8. Meetings and Reports. Contractor must attend all meetings and public hearings relative to the Services where its presence is determined to be necessary and requested by Buyer and Contractor can reasonably schedule its appearance. Unless otherwise agreed, Contractor shall provide a monthly report summarizing Contractor's performance. Contractor shall provide other periodic reports respecting the Services as Buyer reasonably requests.

3.9. Ownership of Works.

(a) As used in Sections 3.9 and 3.10, the term "Work" shall mean each deliverable, drawing, design, specification, rendering, notebook, tracing, photograph, reference book, equipment, expendable equipment and material, negative, report, finding, recommendation, data and memorandum of every description, shared with or delivered to Buyer pursuant to the Contract.

(b) With the exception of Contractor's pre-existing intellectual capital and third-party intellectual capital as described in Section 3.10 below, Buyer shall own all right, title and interest, including ownership of copyright (limited to the extent permitted by the terms of any governing licenses), in and to each Work including, but not limited to, software, source code, reports, deliverable, or work product developed by Contractor specifically for Buyer in connection with the Contract, and derivative works relating to the foregoing. The use of these Works in any manner by Buyer shall not support any claim by Contractor for additional compensation.

(c) Each Work, and any portion thereof, shall be a "work made for hire" for Buyer pursuant to federal copyright laws. Any software, report, deliverable, or work product as used in connection with the Work, but previously developed by Contractor specifically for other customers of Contractor or for the purpose of providing substantially similar services to other Contractor customers, generally shall not be considered "work made for hire", so long as the foregoing are not first conceived or reduced to practice as part of the Work. To the extent any of the Works are not deemed works made for hire by operation of law, Contractor hereby irrevocably assigns, transfers, and conveys to Buyer, or its designee, without further consideration all of its right, title and interest in such Work, including all rights of patent, copyright, trade secret, trademark or other proprietary rights in such materials. Except as provided in the foregoing sentences, Contractor acknowledges that Buyer shall have the right to obtain and hold in its own name any intellectual property right in and to the Work. Contractor agrees to execute any documents or take any other actions as may reasonably be necessary, or as Buyer may reasonably request, to perfect or evidence Buyer's ownership of the Work.

3.10. Intellectual Property.

(a) Contractor grants to Buyer an irrevocable, perpetual, royalty free and fully paid-up right to use (and such right includes, without limitation, a right to copy, modify and create derivative works from the subject matter of the grant and the right to sublicense all, or any portion of, the foregoing rights to an affiliate or a third party who provides service to Buyer) Contractor's intellectual property (including, without limitation, all trade secrets, patents, copyright and know-how) that is contained or embedded in, required for the use of, that was used in the production of or is required for the reproduction, modification, maintenance, servicing, improvement or continued operation of any applicable unit of Work.

(b) If the Work contains, has embedded in, or requires for the use of, any third party intellectual property, or if the third party intellectual property is required for the reproduction, modification, maintenance, servicing, improvement or continued operation of the Work, Contractor shall secure for Buyer an irrevocable, perpetual, royalty free and fully paid-up right to use all third party intellectual property. Contractor shall secure such right at its expense and prior to incorporating any third party intellectual property (including, without limitation, all trade secrets, patents, copyright and know-how) into any Work, including, without limitation, all drawings or data provided under the Contract, and such right must include, without limitation, a right to copy, modify and create derivative works from the subject matter of the grant of the right and a right to sublicense all or any portion of the foregoing rights to an affiliate or a third party service provider. This subparagraph does not apply to standard office software (e.g., Microsoft Office).

(c) Should Buyer, or any third party obtaining such Work through Buyer, use the Work or any part thereof for any purpose other than that which is specified in the Contract, it shall be at Buyer's and such third party's sole risk.

3.11. Software Development Processes and Standards. To the extent any software is developed, modified, or otherwise procured under the Contract, Contractor will use commercially-accepted software development and documentation processes and standards.

3.12. Limitation of Warranty for Buyer-Furnished Software. In lieu of any other warranty expressed or implied herein, Buyer warrants that any programming aids and software packages supplied for Contractor use as Buyer-furnished property shall be suitable for their intended use on the system(s) for which designed. In the case of programming aids and software packages acquired by Buyer from a commercial source, such warranty is limited to that set forth in the contractual document covering the product(s). Should Buyer furnish Contractor with any programming aids or software packages that are found not to be suitable for their intended use on the system(s) for which designed,

Contractor shall notify Buyer and supply documentation regarding any defects and their effect on progress on the Contract. Buyer will consider equitably adjusting the delivery performance dates or compensation, or both, and any other contractual provision affected by the Buyer-furnished property in accordance with the procedures provided for in Section 3.3 above ("Buyer's Right to Make Changes").

3.13. Loss of Data. If any Buyer data or record is lost or corrupted due to the negligence of Contractor or any of its subcontractors or agents, Contractor shall be responsible for correcting and recreating all production, test, acceptance and training files or databases affected which are used in the provision of services, at no additional cost to the Customer in the manner and on the schedule set by Buyer. This remedy shall be in addition to any other remedy Buyer may be entitled to by law or the Contract.

3.14. Purchase Orders. If the Contract requires a Service to be ordered by Buyer via purchase order, Contractor shall not deliver or furnish the Service until a Buyer transmits a purchase order. All purchase orders shall bear the Contract or solicitation number, shall be placed by Buyer directly with Contractor, and shall be deemed to incorporate by reference the Contract. Any discrepancy between the Contract terms and the terms stated on the Contractor's order form, confirmation, or acknowledgement shall be resolved in favor of terms most favorable to Buyer.

3.15. Best Pricing for Comparable Services to Other Government Entities. Compensation for the Services shall be as set forth in the Contract. During the Contract term, if Contractor offers better pricing to other government entities for substantially the same or a smaller quantity of Services upon the same or similar terms of the Contract ("Better Pricing"), then the price under the Contract shall be immediately reduced to the better price. Buyer may require Contractor to certify on an annual basis that Better Pricing (as defined above) does not exist.

3.16. Invoicing and Payment. The Contractor shall be responsible for the collection of each eligible registration, renewal and late fees from which the Contractor fee shall be retained. The difference between the total fees captured and the Contractor's fee shall be remitted to the City of Jacksonville as a lump sum on a monthly basis. Contractor will not be compensated for any registered properties whose fee(s) have not been collected. This includes but not limited to settlements through legal action.

(a) Unless otherwise specified in the RFP, payment to Contractor for Services shall be made on a monthly basis for the Services provided by Contractor for the preceding month. Invoices shall contain the Contract number, purchase order number if applicable, and the appropriate vendor identification number. Buyer may require any other information from Contractor that Buyer deems necessary to verify its obligation to pay under the Contract. Payments will be made to Contractor approximately forty-five (45) days after receipt and acceptance of a proper invoice. Buyer does not pay service charges, interest or late fees unless required by law.

(b) To the extent Contractor's fees include reimbursement for travel or travel-related expenses, such travel and travel-related expenses shall be subject to and governed by the provisions and limitations of Chapter 106, Part 7, Jacksonville Ordinance Code.

(c) Buyer's obligations to make payment are contingent upon availability of lawfully appropriated funds for the Services.

3.17. Taxes. Buyer is generally exempt from any taxes imposed by the State of Florida or the Federal Government. Exemption certificates will be provided upon request. Contractor shall not include any state, local and federal taxes in any prices quoted to Buyer.

3.18. Right of Setoff. Buyer may, in addition to other remedies available at law or equity and upon notice to Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted in good faith by Buyer (or any other local government entity or authority located in Duval County, Florida) against Contractor.

3.19. Retention of Records / Audits.

(a) Contractor must establish and maintain books, records, contracts, sub-contracts, papers, financial records, supporting documents, statistical records and all other documents pertaining to the Contract (collectively, the "Records"), in whatsoever form or format (including electronic storage media) is reasonable, safe and sufficient.

(b) Contractor must retain all Records for a minimum period of three (3) years after the final payment is made under the Contract. If an audit has been initiated and audit findings have not been resolved at the end of the three (3) year period, the Records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of the Contract, at no additional cost to Buyer. Records shall be retained for longer periods when the retention period exceeds the time frames required by law or ordinance.

(c) At all reasonable times for as long as the Records are maintained, Contractor must allow persons duly authorized by Buyer (including Buyer's auditor and inspector general offices), and to have full access to and the right to examine, copy or audit any of the Records, regardless of the form in which kept. Contractor will not charge Buyer for any setup, supervision or space in connection with the examination and audit. Photocopying charges will not exceed the actual and reasonable cost of the copies to Contractor, and Buyer shall be permitted to bring its photocopying equipment if Buyer so desires.

(d) Contractor must comply with and cooperate in any audits or reports requested by Buyer, and must ensure that all related party transactions are disclosed to the auditor.

(e) Contractor must permit Buyer to interview any of Contractor's employees, subcontractors and subcontractor employees to assure Buyer of the satisfactory performance of the terms and conditions of the Contract. Unless the parties agree otherwise or Buyer is willing to pay for the employee's reasonable travel expenses, the interviews will be conducted at the employee's primary place of work. Contractor will not charge Buyer for any employee time unless the interview time for that employee exceeds eight (8) hours in a calendar year.

(f) Following any audit or review, if performance of Contractor is, in the opinion of Buyer, deficient, Buyer will deliver to Contractor a written report of the deficiencies and request for development by Contractor of a corrective action plan. Contractor hereby agrees to prepare and submit, to Buyer, said corrective plan within ten (10) days of receiving Buyer's written report. Thereafter, Contractor must correct all deficiencies in the corrective action plan within a reasonable time after Buyer's receipt of the corrective action plan.

(g) All reports and other information provided by Contractor pursuant to this Section shall be submitted under penalties of perjury, under Section 837.06, Florida Statutes.

(h) Contractor must include the aforementioned audit, inspection, investigation and record-keeping requirements in all subcontracts and Contract assignments.

(i) Contractor agrees to reimburse Buyer for the reasonable costs of investigation incurred by Buyer for audits, inspections and investigations that uncover a material violation of the Contract. Such costs shall include the salaries of investigators, including overtime, travel and lodging expenses, and expert witness and documentary fees. Contractor shall not be responsible for any costs of investigations that do not uncover a material violation of the Contract.

3.20. **Indemnification.** See Attachment G attached hereto.

3.21. **Insurance.** See Attachment H attached hereto.

3.22. **Buyer's Right to Suspend Work.** Buyer may in its sole discretion suspend any or all activities under the Contract by providing a written notice to Contractor at least five (5) days in advance that outlines the particulars of suspension. Within ninety (90) days of providing such notice, or within any longer period agreed to by Contractor, Buyer shall either (1) authorize the resumption of work, at which time activity shall resume, or (2) terminate the Contract in accordance with the applicable termination provisions. Suspension of work shall not entitle Contractor to any additional compensation. The parties will reasonably amend any schedules relating to performance of the Services to reflect the suspension of work hereunder. Contractor shall not be entitled to receive compensation for any work it performs after being excused from providing it hereunder.

3.23. **Buyer's Right to Terminate for Convenience.** Buyer reserves the right to terminate the Contract at any time and for any reason by giving written notice to Contractor. If the Contract is terminated for convenience as provided herein, Buyer will be relieved of all further obligations other than payment for that amount of Services actually performed to the date of termination. Access to any and all work papers will be provided to the District after the termination of the Contract. The parties understand and agree that Contractor shall not have a reciprocal right to terminate the Contract for convenience;

it being understood that Buyer's payment for Services forms the consideration for Contractor not having this right. In the event of Buyer's termination of the Contract, Buyer (in its sole discretion) may also require Contractor to provide the Transition Services as set forth in Section 3.26 below.

3.24. Buyer's Remedies Upon Contractor Default. Any one or more of the following events, if not cured within ten (10) calendar days after Contractor's receipt of written notice thereof, shall constitute an "Event of Default" on the part of Contractor: (1) Contractor fails to perform the Services within the time specified in the Contract or any extension, (2) Contractor fails to maintain adequate progress, thus endangering performance of the Contract, (3) Contractor fails to honor any other material term of the Contract, or (4) Contractor fails to abide by any statutory, regulatory, or licensing requirement. Buyer may extend the 10-day cure period in its discretion.

In addition, the following shall constitute an immediate Event of Default with no right cure: (i) Contractor is found to have made a false representation or certification in its Response, or (ii) Contractor has been placed on the list maintained under Section 287.135, Florida Statutes, of companies with activities in Sudan or in Iran Petroleum Energy Sector.

Upon an "Event of Default" on the part of Contractor, Buyer will be entitled to terminate the Contract and pursue such other remedies available at law or equity, including the recovery of any re-procurement costs and delay damages. The rights and remedies available to Buyer under the Contract are distinct, separate and cumulative remedies, and no one of them, whether or not exercised by a party, shall be deemed to be in exclusion of any other.

If, after termination, it is determined that Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience.

3.25. Contractor Remedies Upon Buyer Default. Buyer shall be in default if Buyer fails to honor any material term of the Contract, and such failure is not cured within forty-five (45) calendar days after receipt of written notice thereof from Contractor. In the event of Buyer's default, Contractor will be entitled to terminate the Contract and pursue such other remedies available at law or equity as it deems appropriate. Except as expressly provided elsewhere in the Contract, Contractor will not be entitled to recover any lost profits or consequential damages. The rights and remedies available to Contractor under the Contract are distinct, separate and cumulative remedies, and no one of them shall be deemed to be in exclusion of any other.

3.26. Transition Services. At any time prior to the date the Contract expires or terminates for any reason (the "Termination Date"), Buyer may direct Contractor to provide reasonable transition assistance services ("Transition Assistance"). Contractor shall provide such Transition Assistance until such time as Buyer notifies Contractor that Buyer no longer requires such Transition Assistance, but in no event for more than 180 days following the Termination Date.

Transition Assistance shall mean any services, functions or responsibilities that are ordinarily or customarily provided to a purchaser to ensure that the services provided to that purchaser by a contractor are fully transitioned in a smooth and efficient manner to a new service provider (either Buyer itself or a third party contractor). Transition Assistance includes the development and implementation of a detailed transition plan. To the extent that Transition Assistance will involve third parties hired by Buyer, those third parties shall cooperate with Contractor in its provision of Transition Assistance and sign any reasonable non-disclosure agreements required by Contractor.

Transition Assistance rendered before the Termination Date shall be provided at no additional cost to Buyer. Transition Assistance rendered after the Termination Date shall be provided at the rates negotiated by the parties prior to the rendering of such service, which rates shall not exceed the standard market rates that Contractor charges to government entities for comparable services; provided however, that if Buyer terminates the Contract because of a breach by Contractor, then (i) the Transition Assistance shall be provided at no cost to Buyer, and (ii) Buyer will be entitled to any other remedies available to it under law. Contractor may withhold Transition Assistance after the Termination Date if Buyer does not provide reasonable assurance that the charges for such Transition Assistance will be paid to Contractor in accordance with the invoicing and payment provisions of the Contract.

3.27. Force Majeure, Notice of Delay, and No Damages for Delay. Neither party shall be responsible for delays in performance if the delay was beyond that party's control (or the control of its employees, subcontractors or agents). Contractor shall notify Buyer in writing of any such delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Contractor could reasonably

foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date Contractor first had reason to believe that a delay could result. Based upon such notice, Buyer will give Contractor a reasonable extension of time to perform; provided, however, that Buyer may elect to terminate the Contract in whole or in part if Buyer determines, in its sole judgment, that such a delay will significantly impair the value of the Contract to Buyer. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy.

THE FOREGOING SHALL CONSTITUTE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. No claim for damages, other than for an extension of time, shall be asserted against Buyer. Contractor shall not be entitled to an increase in the Contract price or payment of any kind from Buyer for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever.

3.28. No Waiver. The delay or failure by a party to exercise or enforce any of its rights under the Contract shall not constitute or be deemed a waiver of that party's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. Unless otherwise agreed in writing, Buyer's payment for the Services shall not release Contractor of its obligations under the Contract and shall not be deemed a waiver of Buyer's right to insist upon strict performance hereof.

3.29. Qualification of Contractor Employees, Subcontractors, and Agents. All Contractor employees, subcontractors and agents performing work under the Contract shall be properly trained and qualified. Upon request, Contractor shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors and agents performing work under the Contract must comply with all reasonable administrative requirements of Buyer and with all controlling laws and regulations relevant to the services they are providing under the Contract. Buyer may conduct, and Contractor shall cooperate in, a security background check or other assessment of any employee, subcontractor or agent furnished by Contractor. Buyer may refuse access to, or require replacement of, any personnel for reasonable cause.

Contractor shall take all actions necessary to ensure that Contractor's employees, subcontractors and agents are not considered employees of Buyer. Such actions include, but are not limited to, ensuring that Contractor's employees, subcontractors and agents receive payment and any legally mandated insurance (e.g., workers' compensation and unemployment compensation) from an employer other than Buyer.

As a condition to providing services to Buyer, Contractor (and any subcontractor) will enroll and participate in the federal E-Verify Program within thirty days of the effective date of the Contract. Proof of enrollment and participation will be made available to Buyer upon request.

3.30. Security Procedures. Contractor and its employees, subcontractors and agents shall comply fully with all generally applicable security procedures of the United States, the State of Florida and Buyer in performance of the Contract. Buyer agrees that any security procedures imposed by Buyer specifically for the Contract will be reasonable and will not impose any unreasonable costs or hardships.

3.31. Restrictions on the Use or Disclosure of Buyer's Information. Contractor shall not use, copy or disclose to third parties, except in connection with performing the Services, any information obtained by Contractor or its agents, subcontractors or employees in the course of performing the Services, including, but not limited to, security procedures, business operations information, or commercial proprietary information in the possession of Buyer. At Buyer's request, all information furnished by Buyer will be returned to Buyer upon completion of the Services. Contractor shall not be required to keep confidential any information that has already been made publicly available through no fault of Contractor or that Contractor developed independently without relying on Buyer's information. To ensure confidentiality, Contractor shall take appropriate steps as to its employees, agents, and subcontractors, including the insertion of these restrictions in any subcontract agreement. The warranties of this paragraph shall survive the Contract.

3.32. Protection of Contractor's Trade Secrets and Other Confidential Information. All documents received by Buyer in connection with this Agreement are subject to Chapter 119, Florida Statutes (the "Florida Public Records Law"). Any specific information that Contractor claims to be a trade secret or otherwise exempt from the Florida Public Records Law must be clearly identified as such by Contractor on all copies furnished to Buyer. Buyer agrees to notify Contractor of any third-party request to view such information, but it is Contractor's obligation to obtain a court order enjoining disclosure. If Contractor fails to obtain a court order enjoining disclosure within five (5) business days of Contractor's receiving notice of the request, Buyer may release the requested information. Such release shall be deemed for purposes of the

Contract to be made with Contractor's consent and will not be deemed to be a violation of law, including but not limited to laws concerning trade secrets, copy right or other intellectual property.

3.33. Assignment. Each party binds itself and its respective successors and assigns in all respects to all of the terms, conditions, covenants and provisions of the Contract. Contractor shall not sell, assign or transfer any of its rights (including rights to payment), duties or obligations under the Contract without the prior written consent of Buyer. In the event of any assignment, Contractor shall remain liable for performance of the Contract unless Buyer expressly waives such liability. Buyer may assign the Contract with prior written notice to Contractor of its intent to do so. Nothing herein shall be construed as creating any personal liability on the part of any officer, employee or agent of Buyer.

3.34. Notice and Approval of Changes in Ownership. Because the award of the Contract may have been predicated upon Contractor's ownership structure, Contractor agrees that any transfer of a substantial interest in Contractor by any of its owners shall require Buyer's prior written approval, which approval shall not be unreasonably withheld or unreasonably delayed. By execution of the Contract, Contractor represents that it has no knowledge of any intent to transfer a substantial interest in Contractor. A substantial interest shall mean at least 25% of the voting shares in Contractor. This section shall not apply to (i) transfers occurring upon the incapacitation or death of an owner; (ii) transfers associated with an initial public offering on the NYSE or NASDAQ markets; or (iii) transfers to a company whose stock is publicly traded on the NYSE or NASDAQ markets.

3.35. Assignment of Antitrust Claims. Contractor and Buyer recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by Buyer. Therefore, Contractor hereby assigns to Buyer any and all claims under the antitrust laws of Florida or the United States for overcharges of goods, materials or services purchased in connection with the Contract.

3.36. Equal Employment Opportunity. The Equal Opportunity clause in Title 41, Part 60-1.4 of the Code of Federal Regulations (Paragraphs 1 through 7 of President's Executive Order 11246), the provisions of the Equal Opportunity for Individuals with Disabilities Act in 42 U.S.C. Section 12112, the Listing of Employment Openings for Veterans Clause in Title 41, Part 50-260.2 of the Code of Federal Regulations and the Disabled Veterans and Veterans of the Vietnam era Clause in Title 41, Part 60-250.5 of the Code of Federal Regulations, are incorporated herein by reference if and to the extent applicable. If Contractor is exempt from any of the above cited terms, written evidence of such exempt status must be provided to Buyer.

3.37. Other Non-Discrimination Provisions. As required by Section 126.404, Jacksonville Ordinance Code, contractor represents that it has adopted and will maintain throughout the term of this contract a policy of nondiscrimination or harassment against any person with regard to race, color, sex (including pregnancy), sexual orientation, gender identity or expression, religion, political affiliation, national origin, disability, age, marital status, veteran status, or any other impermissible factor in recruitment, hiring, compensation, training, placement, promotion, discipline, demotion, transfers, layoff, recall, termination, working conditions and related terms and conditions of employment. Contractor agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records, by the Executive Director of the Community Relations Commission, or successor agency or commission, for the purpose of investigation to ascertain compliance with the non-discrimination provisions of the Contract; *provided however*, that Contractor shall not be required to produce, for inspection, records covering periods of time more than one (1) year prior to the effective date of the Contract. Contractor agrees that, if any of the products or Services to be provided pursuant to the Contract are to be provided by a subcontractor, the provisions of this Section shall be incorporated into and become a part of the subcontract.

3.38. Prompt Payment to Subcontractors and Suppliers. The following is required by Chapter 126, Part 6, Jacksonville Ordinance Code; provided however, if Contractor does not use JSEB subcontractors, as identified below, this Section 3.38 shall not apply:

(a) *Generally.* When Contractor receives payment from Buyer for labor, services or materials furnished by subcontractors and suppliers hired by Contractor, Contractor shall remit payment due (less proper retainage) to those subcontractors and suppliers within fifteen (15) calendar days after Contractor's receipt of payment from Buyer. Nothing herein shall prohibit Contractor from disputing, pursuant to the terms hereof, all or any portion of a payment alleged to be due to its subcontractors and suppliers. In the event of such dispute, Contractor may dispute the disputed portion of any such payment only after Contractor has provided notice to the Buyer and to the subcontractor or supplier whose payment is in dispute, which notice shall: (i) be in writing; (ii) state the amount in dispute; (iii) specifically describe the

actions required to cure the dispute; and (iv) be delivered to Buyer and said subcontractor or supplier within ten (10) calendar days after Contractor's receipt of payment from Buyer. Contractor shall pay all undisputed amounts due within the time limits imposed by this Section.

(b) *Jacksonville Small and Emerging Business Enterprise and Minority Business Enterprise Participation.* Notwithstanding Chapter 126, Part 6 of the Jacksonville Ordinance Code, Contractor shall pay all contracts awarded with certified Jacksonville Small and Emerging Business Enterprises ("JSEB"), as defined therein, their pro rata share of their earned portion of the progress payments made by Buyer under the Contract within seven (7) business days after Contractor's receipt of payment from Buyer (less proper retainage). The pro-rata share shall be based on all work completed, materials and equipment furnished, or services performed by the certified JSEB at the time of payment. As a condition precedent to progress and final payments to Contractor, Contractor shall provide to Buyer, with its requisition for payment, documentation that sufficiently demonstrates that Contractor has made proper payments to its certified JSEB's from all prior payments Contractor has received from Buyer. Contractor shall not unreasonably withhold payments to certified JSEB's if such payments have been made to Contractor. If Contractor withholds payment to its certified JSEB's, which payment has been made by Buyer to Contractor, Contractor shall return said payment to Buyer. Contractor shall provide notice to Buyer and to the certified JSEB's whose payment is in dispute, which notice shall: (i) be in writing; (ii) state the amount in dispute; (iii) specifically describe the actions required to cure the dispute; and (iv) be delivered to Buyer and said JSEB's within five (5) calendar days after Contractor's receipt of payment from Buyer. Contractor shall pay all undisputed amounts due within the time limits imposed in this Section. The failure to pay undisputed amounts to the JSEB's within seven (7) business days shall be a breach of the Contract, compensable by one per-cent (1%) of the outstanding invoice being withheld by Buyer, not as a penalty, but as liquidated damages to compensate for the additional contract administration by Buyer.

(c) *Third Party Liability.* The Prompt Payment requirements hereunder shall in no way create any contractual relationship or obligation between Buyer and any subcontractor, supplier, JSEB or any third party or create any Buyer liability for Contractor's failure to make timely payments hereunder. However, Contractor's failure to comply with the Prompt Payment requirements shall constitute a material breach of Contractor's contractual obligations to Buyer. As a result of said breach, Buyer, without waiving any other available remedy it may have against Contractor, may: (i) issue joint checks; and (ii) charge Contractor a 0.2% daily late payment charge or the charges specified in said Chapter 126 of the Jacksonville Ordinance Code for JSEB's and in Chapter 218, Florida Statutes, for non-JSEB's, whichever is greater.

3.39. **Conflicts of Interest.** Contractor acknowledges that Section 126.112 of the Jacksonville Ordinance Code requires that a public official who has a financial interest in a bid or contract make a disclosure at the time that the bid or contract is submitted or at the time that the public official acquires a financial interest in the bid or contract, including but not limited to the public official's name, public office or position held, bid or proposal number, and the position or relationship of the public official with the bidder or contractor.

3.40. **Contingent Fees Prohibited.** Contractor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure the Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona-fide employee working solely for Contractor, any fee, commission, percentage, gift or any other consideration, contingent upon or resulting from the award or making of the Contract. For the breach or violation of these provisions, Buyer shall have the right to terminate the Contract without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

3.41. **Truth in Negotiation Certificate.** The execution of the Contract by Contractor shall be deemed to be a simultaneous execution of a Truth-In-Negotiation Certificate, whereby Contractor states that the wage rates and other factual unit costs supporting the compensation hereunder are accurate, complete and current at the time of contracting. Further Contractor agrees that the compensation hereunder shall be adjusted to exclude any significant sums where Buyer determines the contract price was increased due to inaccurate, incomplete or non-current wage rates and other factual unit costs, provided that any and all such adjustments shall be made within one (1) year following the completion date of the Contract.

3.42. **Compliance with Applicable Laws.** Contractor (and any subcontractors) must comply with all applicable federal, state and local laws, rules and regulations as the same exist and as may be amended from time to time, including, but not limited to:

- Chapter 119, Florida Statutes (the Florida Public Records Law);

- Section 286.011, Florida Statutes (the Florida Sunshine Law);
- Chapter 602, Jacksonville Ordinance Code (the Jacksonville Ethics Code);
- Chapter 126, Jacksonville Ordinance Code (the Jacksonville Purchasing Code); and
- All licensing and certification requirements applicable to performing the Services.

3.43. **Cooperative Purchasing.** Pursuant to their own governing laws, and subject to the agreement of Contractor, other entities may be permitted to make purchases at the terms and conditions contained herein. These purchases are independent of the agreement between Buyer and Contractor, and Buyer shall not be a party to such transactions.

3.44. **Warranty of Ability to Perform.** Contractor warrants that (i) it is ready, willing and able to perform its obligations under the Contract, and (ii) to the best of Contractor's knowledge, there are no pending or threatened actions, proceedings, investigations or any other legal or financial conditions that would in any way prohibit, restrain, or diminish Contractor's ability to satisfy its Contract obligations. Contractor shall immediately notify Buyer in writing if its ability to perform is compromised in any manner during the term of the Contract.

3.45. **Warranty of Authority to Sign Contract.** Each person signing the Contract warrants that he or she is duly authorized to do so and to bind the respective party to the Contract.

3.46. **Governing State Law/Severability/Venue/Waiver of Jury Trial.** The rights, obligations and remedies of the parties as specified under the Contract shall be interpreted and governed in all aspects by the laws of the State of Florida. Should any provision of the Contract be determined by the courts to be illegal, unenforceable or in conflict with any applicable law, the validity of the remaining provisions shall not be impaired. Venue for litigation of the Contract shall be exclusively in courts of competent jurisdiction located in Jacksonville, Duval County, Florida. The parties waive any and all rights to a jury trial with respect to disputes arising under the Contract.

3.47. **Construction.** Both parties acknowledge that they have had the opportunity to provide meaningful input into the terms and conditions contained in the Contract. Therefore any doubtful or ambiguous provisions contained herein shall not be construed against the party who physically prepared the Contract. Article headings appearing herein are inserted for convenience or reference only and shall in no way be construed to be interpretations of text.

3.48. **Office of Inspector General.** The City of Jacksonville has established an Office of Inspector General, Section 602.301, Part 3, Chapter 602, *Ordinance Code*, as may be amended. The Inspector General's authority includes but is not limited to the power to: review past, present, and proposed City contracts, transactions, accounts, and records; require the production of records; and, audit, investigate, monitor, and inspect the activities of the City, its officials, employees, contractors, their subcontractors and lower tier subcontractors, and other parties doing business with the City and/or receiving City funds in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be a violation of Section 602.309, *Ordinance Code*.

3.49. **Ethics Provisions for Vendors/Suppliers.** The Bidder, by affixing its signature to the proposal form, and/or the acceptance of a purchase order, represents that it has reviewed the provisions of the Jacksonville Ethics Code contained in chapter 602, Jacksonville Ordinance Code and the provisions of the Purchasing code contained in chapter 126, Jacksonville Ordinance Code and has read and will comply with the Mandatory Ethics Training for Suppliers located on the [Procurement Website](#).

3.50. **Employment Eligibility.** Pursuant to the provisions of section 448.095, Florida Statutes, the parties agree to the following. For purpose of this section, the term "contract" includes this Agreement and any contract between the Contractor and any of its subcontractors:

- (a) The Contractor and any of its subcontractors shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. The Contractor and any of its subcontractors may not enter into a contract unless each party to the contract registers with and uses the E-Verify system.
- (b) 1. If the Contractor enters into a contract with a subcontractor, the subcontractor must provide the Contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien.

1. If the City has a good faith belief that a subcontractor knowingly violated this subsection, but the contractor otherwise complied with this subsection, then the City shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the subcontractor.
 2. A contract terminated under subparagraph 1. or subparagraph 2. shall not a breach of contract and may not be considered as such.
- (c) 1. The City, the Contractor, or any of the Contractor’s subcontractors who has a good faith belief that a person or entity with which it is contracting has knowingly violated s.448.09 (1), Florida Statutes, shall terminate the contract with the person or entity.
2. If the City has a good faith belief that as subcontractor knowingly violated this subsection, but the Contractor otherwise complied with this subsection, the City shall promptly notify the Contractor and order the Contractor to immediately terminate the contract with the sub-contractor.
 3. A contract terminated under subparagraph 1. or subparagraph 2. shall not be a breach of Contract and may not be considered as such.
- (c) The City, Contractor, or any of Contractor’s subcontractors may file an action with a circuit county court to challenge a termination under paragraph (c) no later than 20 calendar days after the date on which the contract was terminated.
- (e) If the City terminates the Agreement with Contractor under paragraph (c), the Contractor may not be awarded a public contract for at least 1 year after the date on which the Agreement was terminated.
- (f) The Contractor is liable for any additional costs incurred by the City as a result of the termination of a contract.

Shorter version:

E-Verify. In accordance with Chapter 2020-149, Laws of Florida, the Contractor confirms that it does not currently, and will not in the future, employ, contract with, or subcontract with unauthorized aliens and that it has registered accordingly with the E-Verify platform. Contractor acknowledges that any violation with the aforementioned will result in a default to this Agreement and the City shall be entitled to any and all relief available, including but not limited to, consequential damages, rebate of fees, costs and expenses, etc., resulting from the voiding of this Agreement.

Provide a list of completed projects that are similar in nature and scope to the project under consideration with references to include owner's contact person and telephone number. Describe any outstanding accomplishments that relate to specific services being sought. Responding to this evaluation criterion necessitates that Consultants include statements of their past and present record of professional accomplishments or performance with the City of Jacksonville and its various "using agencies," which is defined in the Jacksonville Ordinance Code as "a department, division, office, board, agency, commission or other unit of Buyer and an independent agency required by law or voluntarily requesting to utilize for services of the (Procurement) Department"; and with any of Buyer's "Independent Authorities"; and on projects undertaken with others that are similar in nature to the size and scope of professional services and/or work required for the project solicitation herein.

6. PROXIMITY TO THE PROJECT:**5 Points Maximum Score**

Document the location of Consultant's corporate headquarters, which, if located in Jacksonville, Florida, no further information is required under this criterion and maximum points will be awarded. If Consultant's corporate headquarters are not located in Jacksonville, Florida, please document the location and the nature of business of Consultant's branch office(s), if any, that are located in and/or that are closest to Jacksonville, Florida, the number of employee assigned thereto and the period of continuous existence thereof. Additionally, Consultants are requested to demonstrate, define and provide examples of their ability to provide the services contemplated herein in a manner comparable to having a local office in Jacksonville, Florida or to show that a local office is not necessary to satisfactorily perform the services required for this project, in which event maximum points may be awarded.

7. PAST AND PRESENT DEMONSTRATED COMMITMENT TO SMALL AND MINORITY BUSINESSES AND CONTRIBUTIONS TOWARD A DIVERSE MARKET PLACE:**10 Points Maximum Score**

Responding to this evaluation criterion necessitates that Contractors indicate their past and present commitment to minority, women-owned, small and emerging businesses. More specifically, responses to this evaluation criterion should include, without limitation, statements that document the Contractor's: (i) commitment to diversity among the directors, officers, members and/or employees that make up its firm; (ii) commitment to diversity within its community and beyond; (iii) commitment to and/or utilization of minority, women-owned, small and emerging businesses on past projects; and (iv) commitment to and/or utilization of minority, women-owned, small and emerging businesses, certified JSEBs in particular, for the project solicitation in question.

8. ABILITY TO DESIGN AN APPROACH AND WORK PLAN TO MEET THE PROJECT REQUIREMENTS:**15 Points Maximum Score**

Describe the Contractor's understanding of the requirements of this solicitation, and its ability, approach and/or plan to satisfy the same in complete compliance with all applicable federal, state and local laws, statutes, ordinances, rules and regulations.

9. QUOTATION OF RATES, FEES OR CHARGES AND OTHER DETAILED COST PROPOSAL OR COST BREAKDOWN INFORMATION:**15 Points Maximum Score**

Describe the Contractor's overall willingness to meet both time and budget requirements for the project, and subject to Chapter 126, Part 3 of Jacksonville Ordinance Code, Section 126.302(e) in particular, proposed total compensation or unit price quotations, including, without limitation, hourly rates, fees, or other charges that will ultimately be used during, contract negotiations to calculate or determine total compensation.

The proposal with the lowest flat fee (Form 1 - Price Sheet, Item 1) will receive the maximum number of points allotted. The number of points awarded for the remainder of the proposals will be determined by a mathematical formula in which the lowest cost is divided by the proposer's cost. That number will then be multiplied by the maximum number of points for the Cost criterion (15). The proposer will receive the number of points as determined by the formula.

Example: The City receives three proposals: Firm #1 with a price of \$100,000.00; Firm #2 with a price of \$150,000.00; and Firm #3 with a price of \$200,000.00.

- Firm #1 would receive the maximum number of points (15 points).
- Firm #2 would receive 10 points (\$100,000.00 divided by \$150,000.00 multiplied by the maximum number of points (15)).
- Firm #3 would receive 7.5 points (\$100,000.00 divided by \$200,000.00 multiplied by the maximum number of points (15)).

10. THE VOLUME OF CURRENT AND PRIOR WORK PERFORMED FOR USING AGENCIES SHALL BE CONSIDERED A MINUS FACTOR:

5 Points Maximum Score

Provide a list of all local government projects including the fees awarded for each on which Contractor has been awarded during the past five (5) years. Include only those projects on which Contractor was the Prime Contractor (do not delete fees paid to subcontractors or others). Such list shall include all work for the City of Jacksonville and its various "using agencies," which is defined in the Jacksonville Ordinance Code as "a department, division, office, board, agency, commission or other unit of Buyer and independent agency required by law or voluntarily requesting to utilize the services of the [Procurement] Division"; and on projects undertaken with others that are similar in nature to the size and scope of professional services and/or work required for the project solicitation herein. If the Contractor has not performed work for any of these agencies during the past five (5) years, the response should so clearly state. Former JSEBs should not include work awarded while in the JSEB Program. The minus factor methodology for this criterion will be based on the fees awarded. The higher the volume of fees the lower the score, less volume of fees the higher the score.

This is outlined in the Good Faith Effort category in Section I.

B. JSEB OBLIGATION

4. All commodity codes must be acquired prior to the submission of bids through the EBO Compliance officer.

D. COMPLIANCE

All bidders, proposers or subcontractors participating in this project are hereby notified that failure to fully comply with the City's JSEB policy as set forth herein shall constitute a breach of contract which may result in termination of the contract, or such other remedy as deemed appropriate by the Owner. Such penalties as outlined in Section 126.201, Jacksonville Ordinance Code, will apply.

E. CONTRACT AWARD

The City proposes to award the contract to the responsive, responsible bidder submitting a reasonable bid, provided: (i) the bidder has met the goals for JSEB participation; or (ii) if unable to meet the goals, the bidder has timely submitted an acceptable Good Faith Effort Statement and supporting documentation that demonstrates, pursuant to Part 6 of Chapter 126, Jacksonville, Ordinance Code, a sufficient attempt to meet the JSEB participation goals as established herein. Bidders are advised that the City has sole discretion and authority to determine if any bidder has made a "Good Faith Effort." The City reserves the right to reject any or all bids submitted. The City will have discretion to reject any bid or exclude a prospective bidder from

Attachment C

submitting a bid who has been non-responsive to JSEB program requirements without satisfactory justification accepted by the Chief of Procurement. Rejections hereunder may be timely protested pursuant to the city's Procurement Protest Procedures, a copy of which is included as part of these bid documents.

F. SUBCONTRACT CLAUSE

1. All bidders hereby agree to incorporate the JSEB participation, policy, goals, conditions, and instructions in all agreements that offer JSEB participation subcontracting opportunities.
2. If a change order presents further subcontracting opportunity beyond current subcontracting, the prime contractor shall make positive efforts to further include JSEB participation.
3. The JSEB prime contractor shall perform at least 40% of the total amount of the work to be performed under this Contract with its own workforce. Subletting of any Work under this Contract shall not relieve the JSEB prime contractor of its full responsibility for the proper and timely performance and for its selection of Subcontractor (s).

G. POST AWARD REQUIREMENTS

After the award of the contract, failure on the part of the successful contractor to subcontract with JSEBs at a percentage level equal to or higher than stated on Form 1, may put the contractor in violation and is subject to penalties outlined in Chapter 126, Jacksonville Ordinance Code.

H. PAYMENT OF SUBCONTRACTORS

Prime contractors shall certify in writing that ALL subcontractors and suppliers have been paid for work and materials from previous progress payments received (less any retainage) as a condition precedent to prior receipt of any further progress payments. Prime contractors shall be obligated to pay subcontractors within 3 days of receipt from the City of funds and must confirm payment to the City. Prime contractor shall have a continuing obligation to pay all subcontractors and suppliers equal to the amount of work and materials furnished on this project at the direction of the prime contractor and for which amount prime contractor includes in its request or application for payment that it submits to the city in order to induce payment for the same; otherwise, within 10 business days after receiving written notice from the city, prime contractor shall return to the city any and all amounts it has been paid by the city that prime contractor failed to pay its subcontractors or suppliers in contradiction to information contained in a corresponding request or application for payment submitted by prime contractor. Additionally, failure to comply with the requirements of this section may result in penalties imposed upon prime contractor, including without limitation those outlined in Chapter 126, Jacksonville Ordinance Code.

I. GOOD FAITH EFFORTS

Bidders who are unable to meet the stated JSEB participation goals set forth herein are required to submit to the Chief of Procurement Division: (i) a Notice of Intent to Submit a Good Faith Effort Statement at the time of bid opening; and (ii) a completed Good Faith Effort Form (Form 4) and all supporting documentation, that demonstrates all of the bidder's efforts in the solicitation of subcontractors to meet the JSEB participation goals on this project, which will be evaluated in accordance with the factors outlined in Part 6 Subpart D of Chapter 126, Jacksonville Ordinance Code, including without limitation §§ 126.618.

Failure to submit the Good Faith Effort Statement and supporting documentation at the scheduled bid opening: (i) shall constitute a waiver of any right to have the same considered; and (ii) may result in the bid in question being rejected as non-responsive.

If the JSEB Administrator finds that a bidder/proposer did not make sufficient Good Faith Efforts, the JSEB Administrator shall communicate this finding to the user department and recommend that the bid/proposal be rejected. A bidder/proposer may protest this determination pursuant to the City's bid protest procedures.

NOTE: The City will investigate and verify information submitted in determining Good Faith Effort, and, among other factors, will compare the same with the performance of other bidders in their attempt to meet the participation goals defined herein.

J. EXCLUSIONARY AGREEMENTS

Agreements between any bidder/proposer and a JSEB in which the JSEB promises not to provide subcontracting quotations to other bidders are prohibited and may result in both the bidder/proposer and the JSEB being subject to the penalties outlined in Chapter 126, Jacksonville Ordinance Code.

K. JOINT VENTURE SUBMITTAL

For Capital Improvement, contractors submitting as Joint Venture must be certified as a joint venture at the time of bid opening. Information concerning submitting a bid as a Joint Venture may be obtained from the Procurement Division, 214 N. Hogan Street, Suite 800, Jacksonville, FL 32202, (904) 255-8800. Failure to meet the deadline for certification as a Joint Venture may deem a proposal non-responsive.

L. SUBSTITUTIONS

1. The contractor cannot make changes to the Schedule of Participation or substitute subcontractors named in the Schedule of Participation without the Chief's prior written approval based on the Ombudsman's recommendation and JSEB Administrator's compliance review. Unauthorized changes or substitutions shall be a violation of this Chapter and may constitute grounds for rejection of the bid or proposal or cause termination of the executed contract for breach, the withholding of payment and/or subject the contractor to contract penalties or other sanctions. *Sec 126.619 (c)*
2. All requests for changes or substitutions of the subcontractors named in the Schedule of Participation shall be made to the Ombudsman with a copy to the JSEB Administrator in writing, and shall clearly and fully set forth the basis for the request. A contractor shall not substitute a subcontractor or perform the work designated for a subcontractor with its own forces unless and until the Chief approves such substitution in writing. A contractor shall not allow a substituted subcontractor to begin work until the Chief has approved the substitution based on the recommendation of the JSEB Administrator. *Sec 126.619 (c) 1*
3. The facts supporting the request must not have been known nor reasonably should have been known by either party prior to the submission of the Schedule of Participation. Bid shopping is prohibited. The contractor must bring this dispute to the Ombudsman for resolution. *Sec 126.619 (c) 2*
4. The Chief's final decision whether to permit or deny the proposed substitution, and the basis, therefore, will be communicated to the parties in writing by the Chief, with a copy to the CAO. *Sec 126.619 (c) 3*
5. If the City requires the substitution of a subcontractor listed in the Schedule of Participation, the contractor shall undertake Good Faith Efforts to fulfill the Schedule of Participation if the Project Specific Goals would not otherwise be met. If the Goal(s) cannot be reached and Good Faith Efforts have been made, the contractor may substitute with a non-JSEB. *Sec 126.619 (c) 4*
6. If a Contractor plans to hire a subcontractor on any scope of work that was not previously disclosed in the Schedule of Participation, the contractor shall obtain the approval of the JSEB Administrator to modify the Schedule of Participation and must make Good Faith Efforts to ensure that JSEBs have a fair opportunity to bid on the new scope of work.
7. Changes to the scopes of work shall be documented by the User Department at the time they arise, to establish the reasons for the change and the effect on achievement of the Project Specific Goal(s).

Attachment C
Equal Business Opportunity Program Requirement

M. JSEB MONTHLY REPORT

A completed JSEB Monthly Report (See Form 3) will be included with each pay request. Prime Contractor is required to maintain records of the JSEB Monthly Reports for three (3) years.

N. CALCULATION OF JSEB PARTICIPATION

1. Credits toward the JSEB goal will be based on the percentage of work actually performed by JSEBs.
2. If a certified JSEB bidder bids as a prime contractor, it will meet the established goal by virtue of being a certified JSEB; nevertheless, JSEBs who bid as prime contractors are encouraged to make every attempt to subcontract with other JSEBs.
3. Subject to the requirements of Part 6 of Chapter 126, Jacksonville Ordinance Code, credit towards the JSEB goal allowed for a joint venture involving a JSEB will be equal to the same percentage as the percentage of ownership and control of the JSEB participants in the joint venture. The eligibility of a JSEB joint venture will be determined on a project-by-project basis. A joint venture must be certified as a JSEB joint venture at the time of bid opening in order for the participation of the JSEB partner to be counted towards the JSEB goal requirement. The JSEB partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture must be at least twenty-five percent (25%) and the JSEB partner must be responsible for a clearly defined portion of the work to be performed.
4. The EBO office will accept participation from certified JSEB companies that are certified at the time of bid opening, and that are immediately subordinate to subcontractors and sub-consultants, toward meeting percentage goals.
5. The EBO office will accept 100% of purchase price for materials from JSEB suppliers towards meeting JSEB percentage goals.

O. PENALTIES

Severe penalties, including without limitation those outlined in Chapter 126, Jacksonville Ordinance Code, may apply to non-compliance with the Equal Business Opportunity Program and other violations of applicable federal, state, and local laws, statutes, ordinances, rules, and regulations.

JSEB Goals defined

ENCOURAGEMENT

It is an official policy of the City of Jacksonville to encourage the maximum participation of Jacksonville Small Emerging Business (JSEB) in its contract awards based upon availability.

Under the encouragement plan, vendors are required to make all efforts reasonably necessary to ensure that City certified JSEB have a full and fair opportunity to compete for performance on this project.

Bidders/Suppliers/Consultants or any entity doing business with the City shall not discriminate on the basis of race, ethnicity, national origin or gender in the award and performance of the work under this contract.

Please use the attached form 1 (Schedule of Participation) to submit JSEB Participation on this Bid. You may contact the Jacksonville Small & Emerging Business Office at (904) 255-8620 to verify the status of a JSEB or visit our web site at www.JSEB.coj.net.

PARTICIPATION

The following goals apply to this contract and submissions of a bid by a prospective contractor shall constitute full acceptance of all conditions outlined in the bid documents, Chapter 126, Jacksonville Ordinance Code, and the prospective contractor's bid proposal.

The attainment of JSEB participation goals established for this contract will be: (i) based upon JSEBs certified by the City AT THE TIME OF BID OPENING in accordance with Part 6 of Chapter 126, Jacksonville Ordinance Code; and (ii) measured as a percentage of the total dollar value of the contract or, in the case of alternates, the percentage is calculated on the base bid for the purpose of the award; however, the contractor is expected to make every attempt to meet or exceed the stated goals when the alternates are awarded.

SET-ASIDE

It is an official policy of the City of Jacksonville to encourage the maximum participation of Jacksonville Small Emerging Business (JSEB) in its contract awards based upon availability. It is the City's intent in adopting this program to reflect the philosophy with regard to enhancing participation of JSEBs in all areas of procurement.

The Set Aside Plan is designated for certified Jacksonville Small Emerging Business participation only pursuant to Ordinance 2004-602-E, Section 126.608 (subsequently revised pursuant to 2005-944-E). All bidders responding must be JSEB certified prior to bid opening.

The JSEB prime contractor shall perform at least 40% of the total amount of the work to be performed under this contract with its own workforce. Notwithstanding this provision, a JSEB prime contractor should be prepared to demonstrate its own experience, licensing, capacity and/or ability to perform 100% of the total amount of the work being solicited, and, for purposes of award, a JSEB prime contractor should not rely upon sub-contractors or sub-consultants to meet any minimum requirements or qualifications. Subcontracting of any work under this contract shall not relieve a JSEB prime contractor of its full responsibility for the proper and timely performance and for its selection of subcontractor(s).

In addition to the bidding requirements specified elsewhere in these contract documents, under the Set Aside Plan, bids will only be accepted from bidders who are certified by the City as a JSEB AT TIME OF BID OPENING, in accordance with Chapter 126, City Ordinance Code.

You may contact the Jacksonville Small & Emerging Business Office at (904) 255-8620 to verify the status of a JSEB or visit our web site at www.jseb.coj.net.

GOOD FAITH EFFORT REQUIREMENTS

GOOD FAITH EFFORTS

Proposers who fail to meet the stated JSEB participation goals set forth in Section "I" are required to submit with their proposal all efforts that would demonstrate a "Good Faith Effort" in the solicitation of subcontractors to meet the JSEB participation goals on this project.

The following categories, without limitations, may be utilized in considering Good Faith Efforts as outlined in Chapter 126, Jacksonville Ordinance code:

- (1) A contact log showing the name, address, and contact number (phone or fax) used to contact the proposed certified subcontractors, nature of work requested for quote, date of contact, person making the effort;
- (2) The description of work for which a quote was requested;
- (3) The amount of the quote given if one was obtained;
- (4) The list of divisions of work not subcontracted and an explanation why not; and
- (5) Subcontractor information as requested by forms developed by the Department.

If the JSEB Administrator finds that a bidder/proposer did not make sufficient Good Faith Efforts, the JSEB Administrator shall communicate this finding to the user department and recommend that the bid/proposal be rejected. A bidder/proposer may protest this determination pursuant to the City's bid protest procedures.

NOTE: The City will investigate and verify information submitted in determining Good Faith Effort and will compare the same with the performance of other proposers' attempts to meet the participation goals defined herein.

SOLICITATION EFFORTS - Should include your efforts to solicit quotes, through all reasonable and available means, the interest of all certified firms who have the capability to perform the work of the contract. The bidder should ensure that the requests are made within sufficient time to allow JSEB firms to respond. The contractor should take the initiative to contact firms which have indicated an interest in participating as a subcontractor/supplier.

ADDITIONAL EFFORTS - Utilizing the services offered by the City of Jacksonville Small and Emerging Business Office for assistance with recruitment efforts. Contractors are encouraged to undertake and document any other efforts taken in their attempt to fulfill the project goal.

Contractor and its subcontractors (the "Indemnifying Party") shall hold harmless, indemnify, and defend the City of Jacksonville and their respective members, officers, officials, employees and agents (collectively the "Indemnified Parties") from and against, without limitation, any and all claims, suits, actions, losses, damages, injuries, liabilities, fines, penalties, costs and expenses of whatsoever kind or nature, which may be incurred by, charged to or recovered from any of the foregoing Indemnified Parties for:

1. General Tort Liability, for any negligent act, error or omission, recklessness, or intentionally wrongful conduct on the part of the Indemnifying Party that causes injury (whether mental or corporeal) to persons (including death) or damage to property, whether arising out of or incidental to the Indemnifying Party's performance of the Contract, operations, services or work performed hereunder; and
2. Environmental Liability, to the extent this Contract contemplates environmental exposures, arising from or in connection with any environmental, health and safety liabilities, claims, citations, clean-up or damages whether arising out of or relating to the operation or other activities performed in connection with the Contract; and
3. If in any suit or proceeding, the Services, or any product generated by the Services, is held to constitute an infringement and its use is permanently enjoined, the Indemnifying Party shall, immediately, make every reasonable effort to secure within sixty (60) days, for the Indemnified Parties, a license, authorizing the continued use of the Service or product. If the Indemnifying Party fails to secure such a license for the Indemnified Parties, then the Indemnifying Party shall replace the Service or product with a non-infringing Service or product or modify such Service or product in a way satisfactory to the City, so that the Service or product is non-infringing.

If an Indemnified Party exercises its right under this Contract, the Indemnified Party will (1) provide reasonable notice to the Indemnifying Party of the applicable claim or liability, and (2) allow Indemnifying Party, at its own expense, to participate in the litigation of such claim or liability to protect its interests. The timely filing of a Notice of Protest shall be accomplished when said notice is received by the Procurement Division within the applicable time limitation or period contained herein. Filing a notice may be accomplished by manual transfer via hand-delivery or mail to the Chief of Procurement at 214 N. (a) Upon receipt of a timely filed written Notice of Protest, the Chief or his/her designee shall schedule and provide notice of the time, date, and place that the protest will be heard. The protest will be heard before the General Governmental Awards Committee ("GGAC"), the Professional Services Evaluation Committee ("PSEC"), or the Competitive Sealed Proposal Evaluation Committee ("CSPEC"), whichever is applicable. The Chief or his/her designee shall have the discretion to proceed with the solicitation or contract award process in question or to suspend the same pending the resolution of the protest. To the extent the Chief or his/her designee decides to exercise his/her discretion not to suspend the solicitation or contract award process pending the resolution of the protest, the Chief or his/her designee shall set forth in writing the particular facts and/or circumstances upon which his/her decision is based.

(b) Those persons or entities, other than the Protestant, who will be directly affected by the resolution of the protest shall be given notice of the protest hearing, and the Notice of Protest and any supplemental protest documentation shall be made available to them upon a written request for the same.

(c) When a Notice of Protest is filed pursuant to §126.106(e)(3)(b), hereof, the Chief or applicable awards committee chairperson shall have the discretion to direct that the solicitation in question is not to be opened pending the resolution of the protest.

126.106(e)(7) Protest Hearing Rules and Procedures

(a) Hearings hereunder shall be heard before the applicable committee and shall begin with a general statement of the rules and procedures prescribed herein by a representative of the committee, followed by a general statement of the facts by a representative of the Procurement Division. Representatives of the Protestant, limited solely to its owners, officers, employees and/or legal counsel, will then be required to present its case based solely upon the issue(s) and information contained in the Notice of Protest and any timely submitted supplemental protest documentation. Those persons or entities, other than the Protestant, who have legal standing and will be directly affected by the resolution of the protest will be given an opportunity to be heard and to present information before the committee, which will be followed by a statement and the presentation of information from the Procurement Division and other governmental representatives. The Protestant must establish by the preponderance of the evidence that the protest should be granted based upon the law, facts and information presented. The committee is entitled to ask questions of any party at any time during the hearing.

(b) For hearings hereunder, the formal rules of evidence pursuant to the Florida Evidence Code may be relaxed at

the sole discretion of the presiding chairperson of the applicable committee. Hearsay evidence may be admissible and used to supplement or explain other evidence.

(c) Unless otherwise provided by the Code, the burden of proof shall rest with the Protestant. The standard of proof for proceedings hereunder shall be whether a Procurement Division recommendation or the decision or intended decision in question was clearly erroneous, arbitrary, or capricious, fraudulent, or otherwise without any basis in fact or law. In any protest proceeding challenging a decision or intended decision to reject all bids, proposals, or replies, the standard of review shall be whether the decision or intended decision is illegal, arbitrary, dishonest, or fraudulent.

(d) A majority vote of the members of the applicable committee shall be required to grant a protest, hereunder; otherwise, the protest shall be denied, and, upon execution by the Mayor or his designee, said vote and/or decision of the applicable awards committee shall be posted and shall represent final agency action.
